NEW MODERATE CABINET IN JORDAN TO PRESS A SWIFT CLEAN-UP OF PRO-COMMIES

By TOM MASTERSON

Amman (AP)—Bedouin troops and security police held Jordan under tight control today as the moderate new government got down to the hard work of restoring stability to the country.

Its first job, following the hectic six-day Cabinet crisis from which King Hussein emerged with a decisive victory over extremist elements, will be to clean the Communists and their sympathizers out of key posts in the government and the army.

Only two minor demonstrations were reported today. In Old Jerusalem, students and teachers staged a parade. Members of the Moslem Brotherhood waylaid them and, in a brief skirmish, a few persons were injured. The other demonstration took place in Nablus.

In Amman, leaders of Leftist groups have been warned drastic action will be taken against them if they start trouble.

The future of Maj. Gen. Ali Abu Nuwar, 34-year-old chief of staff of the Jordan army, remained in doubt, informed sources said. Brig. Sadik Sharaa, deputy chief of staff, is returned from London.

Maj. Gen. Ali Hayari is acting chief of staff. Nuwar has officially been given 14 days leave, and latest information available indicated he remains in Syria.

He switched his loyalty during the crisis when it appeared the National Socialist party of Suleiman Nabulsi, whom Hussein ousted from the premiership last Wednesday, would be victorious.

Whether Nuwar will be forgiven remains to be seen.

The Damascus newspaper Al Alam quoted Nabulsi, foreign minister in the new Cabinet, as saying in a telephone interview that Nuwar will resume his duties shortly. The general was in Damascus with five other high-ranking Jordanian officers.

In Baghdad, Iraq's Parliament discussed foreign policy in secret session. Premier Nuri Said was reported to have spoken about relations of Iraq, a member of the pro-Western Baghdad Pact and linked to Jordan by royal blood, with other nations of the Arab sphere.

Leader's Plan for Conference Receives Snub

Harrisburg (AP)—Gov. Leader's efforts to get his legislative program off the ground were running into more difficulty today.

His invitation to the leadership of both parties to discuss the program at the executive mansion next Wednesday drew a flat rejection from Sen. Albert R. Peckham (R-Armstrong), Republican whip in the upper House.

"I would go to a meeting to discuss budget cuts rather than to a meeting to discuss an increase in spending as I understand he plans to do," Peckham said.

The conference purpose, described by Leader as "a good government showdown," drew an implied rebuke from Rep. Norman Wood, chairman of the House Appropriations committee, who was not invited.

Speculation was raised that Leader would consider calling a (Turn to Page Eight)

Lions Club Attends Holy Week Meeting At Baptist Church

The Rt. Rev. William Crittenden, DD, bishop of the Episcopal Diocese of Erie, continued as speaker today in the second of the community Holy Week services held in First Baptist church by Warren County Ministerial Association.

Attendance totaled 187, with Lions Club members attending as a group.

Continuing the general theme, "Christ's Way and Ours," Bishop Crittenden's subject today was "The Way of Faith." He remarked that "people asked Jesus many questions and he answered them all with a call to faith."

His message was divided into three parts: A call to faith in God's purposes; a call to faith in God's power; and a call to faith in God's promises.

"We must find God's will and work it out," he continued. "His purpose must be worked out in love." He concluded his message by saying "We, too, must have faith in God's purposes, power and promises."

The Rev. Francis E. Fehlman, pastor of Salem Evangelical United Brethren church, presided at today's service. Mrs. Carl E. Whipple was at the organ.

Grim Reaper Overtakes Cancer Victim Preparing "Reactions"

By DWIGHT PITKIN

Detroit (AP)—Leonard Kerschke kept his rendezvous with death sooner than he expected.

There were many things he planned to do.

He had written one article for The Associated Press on what his reactions were when the doctor told him Jan. 31 he couldn't expect to live much longer than six months.

He thought there was plenty of time to write several more.

Detroit Department of Parks and Recreation.

He had always enjoyed health until last fall when he first noted symptoms of a backache. At Christmas time he developed symptoms of pleurisy and pneumonia.

In January he entered a hospital for observation.

An exploratory operation disclosed the malignant cancer that was to take his life.

Kerschke liked people. And the nationwide response—letters of sympathy and encouragement—to his first article—gave him a lift.

When he talked of things he would like to do, he always came back to one thing. He wanted to visit Washington, D. C. He had never been to the national capital.

He would bundle his wife Athelneyne and their baby daughters Darleen and Valerie into a car and they would be off to Washington.

But his energy gradually gave out. The pains grew sharper. He did not complain.

Resident in Surgery At Clinic in Sayre

DR. DESTEFANO

Announcement is received today from Sayre, Pa., that Dr. Neil M. DeStefano, above, son of Mr. and Mrs. James DeStefano, 912 Fourth avenue, has been appointed resident in surgery at the Guthrie Clinic, one of two men chosen for the position. The Guthrie Clinic is a major teaching hospital of Hahnemann Medical College and is also affiliated with the Medical School of the University of Pennsylvania.

Dr. DeStefano recently accepted his commission in the Medical Corps, U. S. Army, and is at present internship at Hamot Hospital in Erie.

Beck Meeting With Chiefs At Galveston

By MAX B. SKELTON

Galveston, Tex., (AP)—Dave Beck and the Teamsters Union Executive committee huddled privately here today with five labor attorneys.

From the conference in this resort city's oldest hotel was expected to come the embattled union's strategy for answering congressional and AFL-CIO attacks.

Beck called the conference amid conflicting reports the committee would back him to the man or would attempt to strip him of his tight-fisted control over one of the world's largest labor unions.

The 62-year-old Beck, accused of using \$320,000 in union funds for personal projects, made it clear he has no plans of stepping aside voluntarily.

"I'm not planning to retire although I would be money ahead if I did," he said. He offered no explanation but apparently had in mind the \$50,000-a-year pension—the same as his current salary—he reportedly would receive upon retirement.

Beck said he would have no statement to make until today, but told reporters he would "blow the lid right off the Senate" if he told what happened to the union funds.

Earlier he said he will seek another five-year term as president at the Teamsters' September convention.

A known rival for the job, James R. Hoffa, one of the union's most influential vice presidents, sat across the conference table today from Beck.

Principal business of the session will be election of the new board of directors, which, in turn, will hold a special meeting at 7:30 p. m. Monday at the "Y" to elect officers for the year ahead.

Among other important items to come before the group tomorrow evening will be discussion of the Mid-Summer Mardi Gras, with Co-chairmen Bill Clinger and Dick Cook reporting on a committee meeting held Monday evening.

State Director Will Wakely will have reminders of the state convention in Scranton May 3-4, when 14 local members will be in attendance as the state organization elects its officers for the coming year.

Soap Box Derby Chairman Dana Harland will report to the membership on his plans. Other reports will include the Junior Citizenship Award; the Jaycee Flag Sale to start the end of this week under the chairmanship of Ralph Anschuetz; and the Jaycee Teen-Age Road-E-O plans being made by Bill Dyke.

ERIE STRIKE ENDS

Erie (AP)—A week-long strike at the Cessna-Erie Corp., ended yesterday when the firm agreed with the Erie Employees Independent Union to settle the dispute at the bargaining table. The grievance involves some 80 employees.

Machinists at Joy Co. Have New Wage Contract

Franklin (AP)—Machinists at the Joy Manufacturing Co. were working today under a new contract that gives them wage increases ranging from 13 to 18 cents an hour plus fringe benefits.

The machinists, members of Local 1842, International Association of Machinists, approved the new pact 470-374 at a special meeting yesterday. The old contract expired last midnight.

Fringe benefits include: increase in the number of paid holidays from six to seven by adding Good Friday; vacation time for workers with 12 or more years service upped to 15 days; improved hospitalization; improved sickness and accident benefits; and a company-paid \$1,000 life insurance policy for each employee when he retires.

Wage scales were not made public.

Terror Tactics Described By Scranton Man

Washington (AP)—Paul Bradshaw, former Scranton, Pa., Teamsters official, testified today Scranton's Mayor James T. Hanlon asked him to "hold off" disclosures about other union officials until after an election.

Bradshaw gave the testimony to the Senate Rackets Investigating Committee under questioning by Sen. Goldwater (R-Ariz.).

It was not immediately clear what election he referred to, whether the city or some other election.

He said he told of the incident to Senate committee investigators and to J. Harold Brislin of the Scranton Tribune.

Bradshaw, 36, a former boxer who said he now does odd jobs around Scranton, was convicted some time ago of implication in the dynamiting of a home being built by nonunion craftsmen.

Since his conviction, he has been ousted as a steward of the Teamsters Union and has implicated other union officials in the dynamiting.

Before his references to the mayor, Bradshaw told a story of beatings and rigged elections in the Scranton Local No. 229 of the Teamsters.

Bradshaw, seeming a bit shy and embarrassed over his appearance before the Senate Rackets Investigating Committee, said that in a 1954 local union election he and others "voted six or seven times" to re-elect the local's incumbent officers.

Bradshaw said he and other stewards of the local were instructed to cast their votes for J. C. (Pinky) Hart as the local's president and Bob Malloy, as business agent.

Committee sources said one phase of the hearings will deal with conversations recorded secretly by Helen Canfield, 27, a pretty dark-haired divorcee, and her friend Paul Bradshaw, in an effort to show that Bradshaw is innocent of dynamiting charges.

The recordings were made after Bradshaw was convicted on charges that in 1954 he dynamited a house under construction by a nonunion contractor. He still is awaiting sentence on the charge.

Miss Canfield's story of how they "bugged" her apartment with hidden microphones and secretly tape recorded conversations of other persons they contend are the real terrorists has been told in criminal trials in Scranton. But committee aides said the recordings, which may be used as evidence, never were played publicly before.

Jaycees Planning For an Important General Meeting

President Robert E. Reiger issues a reminder today to all members of Warren Junior Chamber of Commerce to attend the very important general membership meeting to be held at 8:00 p. m. Wednesday in the Jaycee room at the YMCA.

Principal business of the session will be election of the new board of directors, which, in turn, will hold a special meeting at 7:30 p. m. Monday at the "Y" to elect officers for the year ahead.

Among other important items to come before the group tomorrow evening will be discussion of the Mid-Summer Mardi Gras, with Co-chairmen Bill Clinger and Dick Cook reporting on a committee meeting held Monday evening.

Historic Stone House To Become Museum

The prerogative of middle age, a slight sag about the mid-section, has overtaken the old Stone House which is soon to become an historical museum on the Irvine Tract, donated to the government by Lydia Biddle. Guy and Grace Danielson, present occupants of Stone House Gift Shop, will be set up in a new location at 216 East Main Street, Youngsville by the end of this week. They will miss the persons who have stopped in to report that great-uncle Ed or aunt Helen have lived or died in the house which has been a landmark since the early 1800's. (Some reports say the building was erected in the 1790's, others state the foot-thick stone walls were built in 1841 which is the date scratched on the inside stairs. Timesphoto.

DRAFT CONTINGENT IS LEAVING TONIGHT

Area Residents Hurt in Crash In Erie County

BULLETIN

Union City (AP)—An auto smashed against a tree on the outskirts of this northwestern Pennsylvania community early today, killing an Ohio man and injuring three Pennsylvanians.

Robert Frederick, 24, of Cleveland, died shortly after the crash at Stem Memorial Hospital. He suffered a skull fracture.

Injured were Anthony Gripe, 44, of Erie; Harold G. Lewis, 22, of Tidouete R.D. 2, Warren County; and William Bernis, 22, of Endeavor, Forest County. Most seriously hurt was Gripe.

State police said Lewis, the driver, apparently fell asleep at the wheel. The men were returning to Erie from Pittsburgh.

Dollar Tip Is Returned By Income Tax Collector

Burlington, Vt. (AP)—An unidentified taxpayer got a dollar back from the Bureau of Internal Revenue even before officials saw his income tax return.

The bureau said the mail brought this letter: "I had my 1956 income tax made out. Now I can't find it. I think I mailed it to you but do not remember for sure. Will you please write and let me know? Get yourself some cigars for looking this up. Thank you"

Enclosed was one dollar. Officials returned the dollar with a note that tips cannot be accepted. They added they would look for the missing return when the files are brought up to date.

Young Married Couple Hurt in Cycle Accident

Perryopolis (AP)—A young married couple was in critical condition at Charleroi Monessen Hospital today with injuries suffered when their motorcycle struck and killed an elderly man.

Coroner Stephen D. Yoney of Westmoreland County said Dale Lynn, 22, of Belle Vernon RD 2, was operating the cycle with his wife, Jean, 21, as a passenger when the machine killed 73-year-old Harry Prewitt of nearby Ros-traver Twp. last night.

Prewitt was struck almost directly in front of his home, about three miles north of Perryopolis.

Keystone Shortway Adherents Are Having Another Session With Fed. Administrator Today

By JOHN KOENIG JR.

Washington (AP)—A group of Pennsylvanians proposing construction of a cross-state superhighway, from Sharon to Stroudsburg, was due here at 2 p. m. today for a meeting with Bertram D. Tallamy, federal highway administrator.

Headed by Z. H. Confair, the representatives of the Keystone Shortway Assn. were expected to press for construction of the road along originally proposed lines.

That would mean a direct line from the Ohio border to the Delaware River through northern Pennsylvania, a route termed the shortest link between Chicago and the Midwest and New York City.

The shortway proposal has the support of Gov. George M. Leader in addition to numerous civic and business interests in north central Pennsylvania.

If approved by the U. S. Bureau of Public Roads, the route would form a part of the 41,000 mile interstate road building program, under which the federal government pays 90 per cent of the cost. The state would be responsible for the remainder.

Only recently, however, the Bureau of Public Roads asked the Pennsylvania State Highways Department for additional cost data on the highway. Included in the report (Turn to Page Eight)

Mild and Little Wet in Eastern Part of Nation

The Associated Press

It was mild and a little wet in the eastern half of the country today and some cooling occurred in the western half.

Southerly winds pushed warm air northward into all the eastern half except along the Atlantic Coast where temperatures showed little change in the last 24 hours. But readings were about 12 degrees higher than 24 hours earlier in most other areas.

The southerly winds also brought wet weather from the Gulf, with scattered showers from the Great Lakes region west and southward through Texas and Oklahoma.

Scattered thundershowers also broke out from southern Missouri and western Tennessee through western Louisiana and Texas. Strong winds were reported in some areas.

Freedom needs educated people

Our colleges and universities face a crisis. Already pressure for enrollment is straining their capacity. By 1967 it may increase 100%.

It's not just a matter of adding classrooms, laboratories and dormitories. Facilities must be increased and high standards of teaching maintained. That means adequate salaries for professors.

America needs educated people as never before. For your own sake and the sake of the country, help the colleges or universities of your choice—now!

If you want to know what the college crisis means to you, write for a free booklet to: HIGHER EDUCATION, Box 34, Times Square Station, New York 36, New York.

Ex-Convict Devoting Life To Aiding Former Prison Inmates

Lawton, Okla. (AP)—A classified advertisement in Sunday's Lawton Constitution-Press has behind it the fulfillment of a prayer by Noel Phillips, 23-year-old mason-contractor.

The ad said: "Man or boy 18 to 23 years old. Must have court record. Prefer man who is on parole. Bring paper and apply in person."

Phillips said the ad was part of a promise he made at the Englewood, Colo., federal reformatory eight years ago. Kneeling in his cell, he prayed:

"If I get out of here, I promise to help others like myself." The following day he was paroled.

PRESIDENT IS PREPARED TO SIGN MEASURE

Washington (AP)—The Senate quickly passed and sent back to the House today a money bill carrying 41 million dollars to restore normal postal services. The Senate took up the measure as soon as it met today and passed it by voice vote without any debate.

The Senate Appropriations Committee had approved it unanimously at a 10-minute session shortly before. The senators did not take the opportunity either to lambast or defend Postmaster General Summerfield. The House spent several hours doing so yesterday afternoon before passing the measure. The administration had asked for 47 millions to carry the department through the remaining 2½ months of this bookkeeping year, but Republican congressional leaders said President Eisenhower is willing to settle for the 41 millions voted by the House yesterday.

Washington (AP)—Republican congressional leaders reported today that President Eisenhower is willing to settle for 41 million dollars in additional funds for the Post Office Department.

The administration requested 47 million but the key party men from the Capitol said Eisenhower "recognizes the very practical problems involved."

Eisenhower's attitude was outlined (Turn to Page Eight)

Few Early Voters Reported Out In New Jersey Today

Newark, N. J., (AP)—Early voting in New Jersey's primary election today was reported extremely light despite ideal weather.

A statewide check by The Associated Press showed that only a few voters came out early to register their choice for a Republican gubernatorial candidate.

Sen. Wayne Dumont, Jr., a lawyer from Warren county, and Sen. Malcolm S. Forbes of Somerset, a New York city business publisher, are seeking the nomination.

The winner opposes Gov. Robert B. Meyner in the November election. New Jersey and Virginia are the only states holding gubernatorial elections this year.

The weather was good throughout the state with sunshine and warm temperatures.

Other counties also reported very light voting.

The governor's wife, the former Helen Day Stevenson of Oberlin, Ohio, was unable to vote because she has not resided in the state the required one year.

EDEN SITS UP

Boston, (AP)—Sir Anthony Eden, who underwent surgery last Saturday for a bile duct obstruction, sat up in a chair for the first time today and was allowed nourishing fluids. The morning bulletin from the Lahey Clinic said the former British prime minister had a comfortable night and that his progress on the third day after the operation has been satisfactory.

Commons In Heated Debate Over Defense

London (AP)—Defense Minister Duncan Sandys declared today "the protective power of the free world depends at present almost entirely on the nuclear strength of the United States."

Sandys, son-in-law of Sir Winston Churchill, opened a two-day defense debate in the House of Commons by rejecting Laborite demands that Britain postpone this summer's H-bomb test.

"There will be no real safety in the world until there is disarmament," he said, "but I think most of us agree that nuclear disarmament by itself would be disastrous."

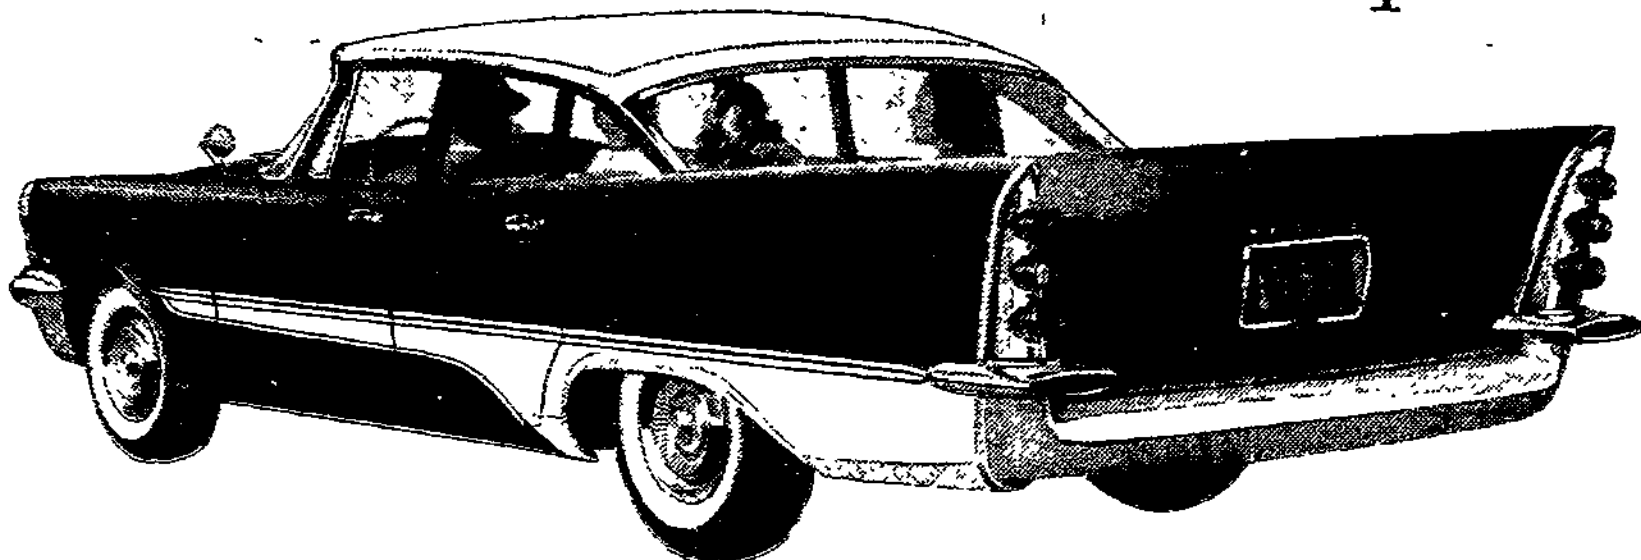

Shouts of "no" from Laborite benches threw the House into an uproar as the defense minister declared:

"Nuclear disarmament by itself would be disastrous since it would give decisive superiority to Russia, which will always be able to maintain larger conventional forces."

The House debate ranged over fields already long under discussion in London in the U. N. Disarmament subcommittee.

Sugar Grove Lions Have Ladies' Night

Sugar Grove—Fred Bauer was chairman for the Ladies' Night program of Lions Club, when that annual event was staged in the school auditorium Thursday evening.

Following a delicious dinner, served by cafeteria personnel to 20 persons, President F. A. Schoonover conducted a brief business session.

The club was awarded the contract for removing rubbish during Clean-Up Week and will use the proceeds for local projects. Next regular club meeting will convene at 6:30 p. m. so that members may attend the annual meeting of Sugar Grove Free Library Association and hear Youth Ambassador Sallie Weiler.

Mr. Bauer presented entertainment consisting of stunts and slides, the latter including beautiful scenes at Silver Springs, Fla. Serving the evening meal were Kaye Storms and Carolyn Allen.

Roy Christensen presided at the regular meeting of Sugar Grove Volunteer Fire Department, when further plans were made for operating concessions at the State Line Speedway this summer. Chief Stuart reported eight grass fire calls since the last meeting. Julius Eckert, Carl Walcott and Scott Stuart attended the County Firemen's meeting at Tidoute Thursday evening.

Lorren Stewart is recovering from a recent tonsilectomy at WCA Hospital. Elmer Loomis, patient in the same hospital the past three weeks, is improving and hoping to be home soon.

Table Tennis Team Still Is Undeclared

Last weekend a table tennis team comprised of Ronnie Schneider, Marshall Feldman, Barry Greenwald and Jeff Branch pling-pinged off to Oil City where they subdued a down river squad for the second consecutive time.

Earlier, they had whipped Oil City 19 to 16, last Saturday they dropped them 19 to 11. As representatives of the local YMCA, the paddle boys feel justified in moving upward to engage competition from Erie and Jamestown. The quartet has yet to be defeated.

NEW COMET

A broken layer of clouds obscured the vision of any area people who had hoped to catch a glimpse of a new comet that astronomers predicted would flash across the western sky shortly after sunset Sunday. The Arndt-Roland comet was discovered last November. Seen by two astronomers at the Belgium Royal Observatory at Uccle. Calculations showed that it was due to be seen April 12th. Officials at the San Francisco Morrison Planetarium had hoped that the comet would be almost as bright as Halley's comet, which was seen by thousands of persons in 1910 when it staged its fiery appearance.

Sixteen lodges were represented at the meeting of the Pennsylvania Northwest District with Corry as the host Sunday afternoon. New officers were installed. Joseph Boris of Beaver Falls is the new president; Thomas Gibbons of Sharon, vice president; Bert Baird of Greenville, secretary, and Harry F. Pepper of Butler, treasurer. Donald Nantee of Corry presided at the session, which opened at 4 p. m. Corry lodge provided a smorgasbord for the visiting Elks and their wives. The next Northwest District meeting will be held May 19, with Beaver Falls lodge as host.

PLANS SERVICE AT DRIVE-IN

Members of the City-wide Youth Council of Titusville have completed plans for the Easter sunrise service they will sponsor at 6:30 a. m. Sunday at the Auto Drive-In Theater on Route 8 south of Titusville. They have expressed the hopes that the service will be well attended and become an annual event in this community. The service is open to residents of all surrounding communities, both adult and youth. The group plans, in the event of extremely bad weather, to hold the service at St. Paul's Reformed Church. No notice will be given if the service will be held at the theater. If bad weather prevents the service there, a white flag will be placed in front of the bulletin board of the First Presbyterian church prior to 6 a. m., notifying those planning to attend that the service will be at St. Paul's Church.

Israel Begins The Passover Feast In Political Upheaval

Jerusalem, Israel, (P)—Israel began the annual observance of the Passover last night in the midst of a new exodus of Jews from Egypt.

The mood of this Jewish state was festive, despite the political upheaval and the alarming possibilities of a new clash in Arab Jordan next door. The people seemed eager to throw off the tensions of the 5½ months since the Sinai war.

But the tourist business during the Christian Easter season seemed likely to be the poorest in years. Only about 1,500 foreigners have arrived in Israel and Jordan to make the customary pilgrimages to holy places. Last year there were 15,000 visitors from foreign countries.

Hotels on the Israeli side of Jerusalem reported only 200 foreign guests, among them a scattering of Americans. Bethlehem in Jordan was reported to have practically no visitors.

The tense Middle East situation, particularly in Jordan where the most important holy sites are located, and the late lifting of an American ban of travel to Israel, were believed responsible for the small number of pilgrims as Holy Week and Passover observances began.

ALL-WEATHER AIR TERMINAL—This three-story airline terminal will grace New York's International Airport in 1958, according to Pan American World Airways, builders of the eight-million-dollar structure. Designed to protect passengers in all kinds of weather, the terminal, top view, has a four-acre cantilever roof that will extend over parked airliners. Passengers (bottom view) will be able to go directly from cars into the terminal through a 100-foot-wide "curtain of air" in place of a conventional entrance door.

HELD IN BAR BOMBING—Two suspects in the Club Mecca gasoline bombing in which six persons lost their lives are shown as they entered police headquarters in Los Angeles. From left are Clyde Bates, 36, and Oscar S. Brenhaug, 44, Los Angeles laborers, who have been booked on suspicion of murder. The men were found sleeping in what is believed to be the getaway car. They admitted visiting the bar in the southern section of the city but denied setting off the blast.

HAPPY TO BE ALIVE—John H. Williams of Cleveland, Ohio, presents an odd picture as he smiles beside his caved-in auto. But he has reason to be happy. High winds blew the roof off a shanty near a construction project onto his passing car, crumpling the top. Williams charged shaken but apparently unhurt.

CLEAN-UP-FIX-UP WEEK COMING UP

Of prime importance to every resident and home owner in the community is the announcement that the Warren Chapter of the Junior Chamber of Commerce, among other important projects scheduled for the coming weeks, announces plans for "Clean-Up Paint-Up Fix-Up Week" scheduled for the period May first to eighth.

As stated in the article on Page One Monday there will be free pick-up of rubbish and scrap materials during the last two days of the campaign. Residents are urged to use the first five days of the drive to clean cellars, attics and garages. The scrap and rubbish should be kept separate and placed at the curb in boxes or baskets, whenever possible. Proceeds from the scrap material will be used to buy rubbish baskets for the borough parks.

Special mention should be made of another service the Jaycees plan to perform — that of refurbishing and cleaning the statue of General Joseph Warren, in the park at the intersection of Hazel street and Pennsylvania and Third avenues.

This is an activity that can be recommended to every civic-minded resident, and its success is a foregone conclusion.

NO ROOM TO PLAY

Says the Denver Post:

Fast-growing demands of all kinds on our public and private lands and forests, coupled with increased leisure and transportation improvements, pose the question: Where will 220 million Americans play in '75?

Since 1946, recreation visits to Rocky Mountain national forests climbed from 2 million to 7 million, and in the nation from 18 million to 45 million. Another 10 million visitors were registered last year at western recreational areas developed by the reclamation bureau. State parks recorded 183 million visits.

By 1966, when the Public Affairs Institute estimates total outdoor recreational demands will have jumped by 75 percent, the national parks expect 80 million visitors.

Despite the increasing numbers of posted signs going up against the nation's 25 million anglers, there are indications private industry and landowners also are awakening to the growing need of the modern day world to "get away from it all." Weyerhaeuser Timber Co. has opened its 2.5 million acres in Washington and Oregon to recreational uses, and built 11 public parks on its timber holdings. Today 85 percent of the nation's hunting, No. 2 sport, is done on private lands.

Still, swelling populations continue to place ever-heavier burdens on all lands. Every mile of super-highway we build takes 36 acres out of other uses.

IT'S AN ILL "BLIZZARD"

The freak spring blizzards that have struck the West a one, two, three blow have brought death and some havoc. But they are also a partial blessing to that vast, moisture-starved region of the country.

As result of the storms, a good part of the area is better off than it has been for years. And weather forecasters predict that rains will continue in a wide belt through April and perhaps beyond. There is some feeling, too, that by the law of averages things ought to improve, since the drought has lasted so long.

Some reservations nevertheless have to be entered. The recent storms bypassed certain badly parched sections of Iowa, Nebraska, Colorado, New Mexico and Texas. And old hands say that a drought isn't really broken until rainfall continues above normal for a period of six months or more. It takes that long to soak the sub-surface of the soil thoroughly.

In any event, today there is hope, and that is considerably more than the people of the region have had for some time.

Announcement of tentative plans for development of a portion of the Irvine Tract donated to the United States by Lydia Biddle, situated in the triangle formed by Highway 6, Highway 62, and the Allegheny river, including the well known Stone House at Irvine, will be pleasing news to area residents who enjoy seeing such well known landmarks preserved for future posterity. Future plans for using the property as an Upper Allegheny River Historical Site will be awaited with interest.

Here and There

Charles Van Doren, TV quiz show winner of \$129,000, according to press dispatches, has signed a contract with the National Broadcasting Co. to serve as a consultant about "Operation Easter Carlift" just received from Herb Mahomed, director of publicity-news service, Loyal Order of Moose, at Mooseheart, Ill. "More than 1,800 Moose lodges will cooperate in the fourth annual nationwide 'Operation Easter Carlift', inaugurated by the National Moose Civic Affairs Department on Easter Sunday, according to Carl A. Weiss, director of civic affairs, for the fraternity. 'Operation Easter Carlift' is being offered by the Moose to all persons who, because of illness, disability or similar cause, might be unable to attend the church of their choice on Easter Sunday because of lack of transportation. National headquarters of the Moose at Mooseheart, Ill., the fraternity's Child City, estimate that more than 10,000 automobiles will be placed at the disposal of these persons in more than 1,800 communities where there are Moose lodges. The civic affairs chairman of each lodge, with the help of his committee, is now contacting every

Washington Letter

BY PETER EDSON, NEA Washington Correspondent

WASHINGTON—(NEA)—The relationship between farm prices and retail food prices is something that politicians have to watch closely, just as economists, storekeepers and housewives.

For instance, the last farm price report showed averages 3 per cent higher than a year ago and 5 per cent above the December 1955 low. This was good news for farmers.

But at about the same time it was announced that food prices were 4.4 per cent higher than a year ago.

Food prices are still 2.6 per cent under the August 1952 peak. But recent food price rises are one of the main factors in the last monthly increase in the whole cost of living index to a new high, 18.7 per cent above the 1947-49 base average.

Your government has very definite policies and programs for trying to increase farm prices. But there is no government program for trying to hold down food prices.

Principal programs for trying to bolster farm prices now are getting rid of holdover surplus crops from previous years and putting more acreage into the Soil Bank reserves, so as to cut production.

SECRETARY EZRA TAFT BENSON has hinted that Department of Agriculture is "considering" a request to Congress to end mandatory price supports and "studying" more flexibility for all price support programs.

These changes could be made only on next year's crops. That means they would have no effect on this year's food prices.

Lower price supports would seem at first glance to mean that farm prices would be lowered. But if lower support price levels would cause farmers to plant smaller crops or put more acreage into the Soil Bank, the effect would be to raise farm prices still further. That might mean higher food prices.

The big middle is what the price of corn will be when this year's crop is harvested next fall. If the size of the crop is kept down the price will be higher than if there is a bumper crop. Bad weather could also cut the crop and force prices still higher.

ONLY A SMALL PART of the corn crop goes directly into human food as cereal, syrup, cornstarch or other byproducts. But the size and price of the corn crop have a direct effect on the size of the pig crop next fall and brought to market in 1958. The higher this year's corn prices, the higher next year's pork prices will be. This is the famous corn-pork ratio.

With a bumper corn crop and low prices, hogs fell to the lowest level in years during 1955. But since then, pork prices have been rising. The 1956 fall pig crop was small. Prices of all pork cuts rose sharply. This has been a principal factor in the cost of living food price index rise this winter.

Higher pork prices created a greater demand for lamb, beef and poultry, and their prices were forced up, too.

All cereals except rice have been advancing in price. Bakery products went up, too, and the national average for a pound loaf of bread rose to 18 1/2 cents.

FURTHER CUTS in bread grain production will tend to force prices still higher. These cuts could come both from putting more wheat acreage into the Soil Bank and disposing of more surplus wheat.

Only in fruits and vegetables is the food price outlook better, from the consumers' standpoint. Fruit and truck crops aren't under price supports, so free market supply and demand determines prices, which can fluctuate rapidly.

Easter Theme Emphasized in Program For Republican Women's Gathering

About 80 members of the Warren County Council of Republican Women were in attendance for the April meeting, held in the YWCA activities building.

In keeping with the Easter season, Mrs. C. W. Baldwin gave a talk entitled "This Easter." Mrs. Baldwin took her audience back to the first Easter and brought to life those persons most vitally concerned with the events of that day. Her talk emphasized the real significance of the Easter season, and was truly an inspiration to all who heard it.

Members of Warren Boy Choir, with their accompanist, Miss Adelaide Swanson, were present and delighted the audience with the following numbers: "Will You Remember?" sung by Jim Eldridge; "A Rose and a Baby Ruth," and "A Lighter Vein," Bobby Hayes sang. A lighter vein, Bobby Hayes sang. "A Rose and a Baby Ruth," and "A Lighter Vein," Bobby Hayes sang. Frank Nichols had the audience in laughter with his rock 'n roll interpretation of "Young Love."

Following the invocation by Mrs. Lena Schaeffer, Miss Mina Rieder, Council president, conducted the business of the organization. Reports were received from the Congressional affairs chairman, Miss Emma Christian; legislative chairman, Mrs. Ralph Sires; political activities chairman, Mrs. Fred Shattuck; and membership chairman, Mrs. Marion Davis.

Mrs. Davis discussed briefly the membership campaign which will be conducted throughout the county within the very near future. Plans are being made for an intensive drive to keep Warren County Council the largest in Pennsylvania, and Mrs. Davis asked for cooperation from all of the members when they are called upon to assist in the drive.

Mrs. Davis also gave an interesting report on the state convention of Republican Women in Pittsburgh, which she attended as a delegate from Warren County Council. At that time, the local Council was honored with awards presented to Miss Rieder as Council president and Mrs. Davis as membership chairman for the tremendous increase in membership achieved during the past year.

An announcement was made of the Northwest Regional membership committee meeting to be held in Meadville, April 30th. It is hoped that Warren County Council will have a large delegation at this meeting, and anyone desirous of attending is asked to contact Mrs. Marion Davis.

Miss Rieder announced the next meeting of Council will be held May 9th.

As a part of the evening's activities, a door prize was awarded to Mrs. Pierce of Russell. Mrs. Gurney Ball, of Youngsville, received a special award for bringing the largest delegation to the meeting.

Delicious refreshments were served from a table centered with spring flowers and candles, with Mrs. George Cunningham and Mrs. Laura Loper pouring. Mrs. Stanley Lawson and her committee, composed of Mrs. Richard Loper, Mrs. Earl Abel, Mrs. Carl Engle, Mrs. Laura Loper and Mrs. Cunningham, were hostesses for the evening.

WEEK'S EVENTS AT FREE METHODIST CHURCH
Tuesday—7:30, Sunday school board meeting.
Wednesday—7:30, prayer and praise meeting in the prayer room.
Thursday—7:30, Women's Missionary Society will meet at the church.

A baptismal service will be held in conjunction with the Easter service on Sunday evening.
The Christian Literature and Bible Reading Contest, sponsored by the Oil City Conference WMS, came to a close recently after three months of reading. Final tabulations for the Warren church show 91,538 pages of Christian literature and 20,327 Bible chapters read during January, February and March. Without doubt, this contest has been a genuine stimulation to religious literature and Bible reading.

Garland PTA Invited to Mental Health Program
Garland—At the April PTA meeting, members were extended an invitation to attend the Freehold Township PTA gathering April 24, when a mental health program will be presented.

Mrs. James Black, president, conducted the session and Miss Ethel Morris led devotions. The secretary, treasurer and cafeteria reports were read and approved and Mrs. Clarence Kellogg read a letter from Jayne Montgomery complimenting the PTA on the excellent program leaflet for the year.

Mrs. Ward Van Guilder gave a report on the cookbook and requested every member to bring a recipe to the next meeting. The nominating committee was appointed as follows: Mrs. Frank Briggs, Mrs. James Pratt and Mrs. Tom Graham. The book award was won by Mrs. Smith's room.

ST. VINCENT'S CAPS 58 STUDENTS—Seven girls from Warren and nearby communities were among the 58 students receiving caps in special ceremonies held recently by St. Vincent's Hospital School of Nursing in Erie. Following completion of their six-months probation period, the aspirants now enter a three-year training course, after which they will be graduated as registered nurses.

In the above photo, first row, Sandra Erickson, Warren, is second from left and Margaret Erickson is third. In the second row, seventh from the right is Susan Licastro, West Hickory. In row three, Nancy Andrews, Sheffield, is fourth from the left; Margaret Gill, Tionesta, is seventh; Mary Lou Falvo, Warren, is eighth; Mary Katherine Morrison, Warren, is 15th.

A Woman Can Be Much Too Devoted to Her Children

CAN a woman be too devoted a mother to be a devoted wife? She can and she is if—
She refuses to leave the children, even for a weekend, to go on a brief holiday with her husband.
She is so busy waiting on the children hand and foot and doing things for them she should have taught them to do for themselves that she greets her husband every evening with complaints of how tired she is.
She neglects her own wardrobe in order to buy the children more clothes than they need and, therefore, never has "a thing to wear" when her husband wants to take her some place.
She is so sure that she knows what is best for the children that she pays little or no attention to her husband's ideas on how they should be brought up.
She is a much more attentive listener when her children are telling her about their problems than when her husband is trying to talk to her about his.

OVERWORKS HUSBAND

WHEN her husband wants the children to be responsible for certain chores and yard jobs, she pleads that they are only "young ones"—so her husband has to do, after a hard day's work, the jobs the children are old enough to be doing themselves.
She is so determined that her children will have "every advantage" that she doesn't seem to care how hard her husband has to work in order to provide them with all those so-called advantages.
She insists that the children go everywhere she and her husband go because she "wornes so" if she is away from them.

Spaulding-Haupt Rites Announced

Announcement is made of the marriage Saturday afternoon, April 6, of Elsie Leona Haupt and Basil Reilly Spaulding. The ceremony was performed at Kingdom Hall of Jehovah's Witnesses by Joseph Hinderer, of Titusville.
The bride was attired in navy blue, with light blue accessories and a corsage of American Beauty roses. Miss Shirley Haupt, as attendant for her mother, was attired in navy blue, with pink accessories and a corsage of roses.
Best man was Juan Ayala, of New York City.

A reception followed at the Stoneham Community House, with 100 guests attending from Kane, Titusville, Union City, Corry, Emporium, New York City, Clymer, N. Y., and Warren.
Following a short wedding trip, the couple will make their home at Union City, where Mr. Spaulding is a minister in the Congregation of Jehovah's Witnesses. Mrs. Spaulding will also serve as a full time missionary with her husband.

Akeley Methodist WSCS Names Its New Officers

BIC CLASS MEETING

Youngsville—President Walter Forsberg was in charge of the regular meeting of BIC Class members of the EUB church, with 36 persons attending. It was voted to give \$300 to the building fund for the new educational unit.

An Easter Parade was presented by a group of male members dressed in women's attire. Taking part were Walter Forsberg, Alvin

Harkins, Bill Meleen, the Rev. F. Eugene Donelson, and Charles Chase. Games were played and closing devotions were given by Louis Crippen, teacher.

Refreshments were served at a table set in an Easter motif, with the following as committee members: The Rev. and Mrs. F. Eugene Donelson, Mr. and Mrs. Bill Meleen, Mr. and Mrs. Charles Chase, Mr. and Mrs. Wayne Loomis.

Annual Luncheon-Meeting Climaxes Successful Year at Woman's Club

A year of successful Monday afternoon meetings for Woman's Club members was climaxed with the annual luncheon-meeting Monday afternoon.

Nearly 90 members were seated in the auditorium, where gay flowers set the note of spring reflected in the pre-Easter showing of colorful hats. Miniature orchids provided table centerpieces, later becoming individual corsages.

Mrs. Donald H. Spencer gave the invocation and, during luncheon, guests were entertained with vocal selections by David Greenlund accompanied at the piano by Marilyn Haer. It is always a pleasure for the club to welcome young people to its programs, and Mr. Green-

lund pleased all present with his three selections from "Song of Norway."

In the absence of President Margaret H. Lewis and the first vice president, Mrs. H. R. Robertson, the business session was ably conducted by Mrs. J. H. Goldstein, second vice president. After the welcome, she expressed special thanks to the Entertainment Committee, headed by Mrs. Robert Maclin, for planning the luncheon. To Mrs. Arthur J. O'Connor and Mrs. William Cashman, for decorations, and to Mrs. J. W. Potter, music chairman.

Mrs. H. O. Wheelock read the historical report in the absence of Mrs. W. F. Chinger. The innovation of a Sunday night supper-musical for members and husbands was given special commendation, as was the very successful Flower Show.

Tribute was paid the memory of a former member, Caroline E. Young, for whom a book has been placed in the Warren Public Library Memorial collection.

Mrs. O'Connor reported on the previous annual meeting. Mrs. B. V. Lesser presented the treasurer's report.

Mrs. C. H. Fiantz, house committee chairman, reported the Elizabeth Beatty bequest had been used to renovate the kitchen; also that a book will be placed in the library for Mrs. Hilma Stromdahl, long-time member of the staff.

Mrs. Maclin reminded tickets are available for the annual May Day breakfast, and paid tribute to Mrs. Alda Chapel for her untiring efforts in behalf of the club.

Representative to the Community Ambassador Committee, Mrs. W. H. Wright reported Miss Dawn Taft will be the third young person to go abroad as this group's Good Will Ambassador.

It was noted the Food Fair,

Dinner Honors Home Street Teachers

Principal Dorothy Lincoln and her teaching staff at Home Street School were honored guests for another of the delightful dinner parties given annually by the Parents' Club. Standing at the left, Miss Lincoln appears in the above McIntosh Studio photo with Nell Swick and Martha Bartoo, front row; Helen Launstein, Alice Fehlman, Ruth Bannon and Virginia Sundheimer.

chairmaned by Mrs. W. H. Cowden, and the Flower Show, with Mrs. J. W. A. Luce chairman, were outstanding successes. The Fair this year will be planned by Mrs. W. H. Wright and Mrs. Norman Morgan.

The date to be announced later, the Flower Show, advanced to a fall date to be announced, will be under the supervision of Mrs. Robert Voigt.

Mrs. H. M. Wildblood, special projects chairman, announced May 25 as date for the Swimming Pool benefit dance, with tickets available May 1.

Proposed by-laws revisions with explanation, were presented by Mrs. S. L. Myer. Mrs. Chapel expressed appreciation for consideration and affection shown her and her staff and was given a standing vote by the members.

Mrs. R. H. Israel presented the report of the nominating committee and the following were elected to serve in the coming year: Mrs. Lewis, president; Mrs. Ro-

bertson, second vice president; Mrs. R. Pierson Eaton, recording secretary; Mrs. Clinger, corresponding secretary; Mrs. Lesser, treasurer. The house committee will consist of Mrs. Fiantz, chairman, with Mrs. A. F. Yeig and Mrs. Carl Lundahl; Mrs. Maclin was renamed head of the Entertainment Committee; as was Mrs. Potter, music chairman; Mrs. Wheelock will be club historian.

Altar-Rosary Society Holds Dinner-Meeting

The Altar-Rosary Society of Holy Redeemer church enjoyed a luncheon dinner in conjunction with its April meeting in the church hall, with 68 women of the parish in attendance, several of these new members of the group.

Father Robert Cohan was a special guest for the dinner, which was served at tables beautifully decorated with Madonna centerpieces and colored candles.

Following the evening meal, the president, Mrs. Francis Kotmar, conducted the business session. Reports were given by Mrs. Robert Brown and Miss Margaret Scallise, secretary and treasurer, respectively; Miss Mary Frontera was awarded the special prize of the evening.

Mrs. Stephen Giannotti and Mrs. Louis Gaghan were co-chairmen for the lovely affair and were ably assisted by the following: Mrs. Louis Gaghan, Mrs. Frank Grut-lara, Mrs. Lena Pasquarette, Mrs. Sue Vavala, Mrs. Samuel Rich, Mrs. Philip Reynolds and Mrs. Kathryn Prigent.

A social hour followed the meeting and members were reminded the next gathering will be held in May, at a time to be announced later.

EARLY PROGRAMS FOR EASTER SERVICES
Cooperation of pastors and others responsible for church notices is asked for the coming weekend, such announcements to be in the hands of the Church Editor by noon Wednesday.

Mrs. Nell Swick, who will be retiring from her teaching duties at the end of the current school term, was paid special recognition at the Home Street Parents' Club annual dinner honoring the faculty members.

The affair was given in the Pleasant township fire hall, where tables were attractively arranged with centerpieces of spring flowers.

All the teachers, Miss Dorothy Lincoln, Mrs. Swick, Miss Martha Bartoo, Miss Alice Fehlman, Mrs. Ruth Bannon, Mrs. Helen Launstein and Mrs. Virginia Sundheimer, along with Custodian LeRoy Meeder, were remembered with suitable gifts.

In addition, an original poem by Nina Haight paid tribute to Mrs. Swick's untiring efforts to mould the lives of hundreds of children of the community in her years of service with the Warren School District.

Announcement was made during the evening that Mrs. Launstein is being transferred to Jefferson School to practice progressive teaching.

Walter Peterson proved an able toastmaster for the program and Mrs. Elaine Backstrom gave the invocation. Program numbers were a piano solo, Roberta Linder; monologue, Donna Knapp; vocal solo, Sally McCarty, accompanied by Mrs. Alice Fox; and poem, Mrs. Anne Zetterlind.

Success of the annual function was credited to Mrs. Helen Schoenfeld and her committee: Mrs. Hazel Shield, tickets; Mrs. Mary Love, printing of programs; Mrs. Betty McCordison, table decorations; Mrs. Anne Smith and Mrs. Anne Zetterlind, co-chairmen for the program; Mrs. Helen Redding, gifts.

Grace Methodist WSCS Holds April Meeting

The Grace Methodist WSCS met at the church for their April meeting. Mrs. Paul Reynolds gave devotion, using the Easter theme for her meditation. Mrs. Herbert Samuelson conducted the business session, with reports given by Miss Lottie Carnahan and Mrs. Raymond Rapp, secretary and treasurer, respectively.

Miss Evelyn Boyd reported for the nominating committee on officers to serve in the coming year. They were duly elected, and will be installed at the May meeting.

Announcement of coming events were made, and all members were urged to attend the District conference meetings, the first in Westfield, N. Y. on April 26, the second, a General conference meeting, in Oil City May 15 and 16. Mrs. Samuelson invited all to secure their tickets for the May Day luncheon to be given at the First Presbyterian church.

Dr. and Mrs. A. C. Schultz presented an enjoyable program, based on their recent travels in South America. Dr. Schultz served as protestant chaplain on the liner on which they sailed, and had many interesting experiences of which to tell. He used slides to show the places they had visited, and reported on mission work being accomplished.

Members of the Hannah Gallagher Circle were hostesses for the social hour. Mrs. Sarah Lyle was chairman and Mrs. Gettrude Hildum, co-chairman.

FOSTER SOCIETY

Lander — Foster Cemetery Society will meet at the home of Mrs. Homer Lundell at 2.00 p. m. Thursday, when election of officers will be held.

CONSTIPATED?

New laxative discovery un-locks bowel blocks
without gag, bloat or gripe

Constipation is caused by what doctors call a "thrift" colon that, instead of retaining moisture as it should, does the opposite: robs the colon of so much moisture that its contents become dehydrated, so dry that they block the bowel, so shrunken that they fail to excite or stimulate the urge to purge that propels and expels waste from your body.

To regain normal regularity, the dry, shrunken, constipating contents of your colon which now block your bowel must be remoistened. Second, bulk must be brought to your colon to stimulate it to action, to a normal urge to purge.

And, of all laxatives, only COLONAM, the amazing new laxative discovery possesses COLONAM's great moistening capacity, plus COLONAM's stretch-stimulating bulk. So effective it relieves even chronic constipation overnight, COLONAM is yet so smooth, so gentle it has proved safe even for women in critical stages of pregnancy.

Superior to old style bulk, salt or drug laxatives, COLONAM neither gags, bloats nor grips; won't interfere with absorption of vitamins and other valuable food nutrients; in clinical tests, did not cause rash or other reactions. It's a physiological fact: Exercise tones your body! And COLONAM exercises your colon to tone it against constipation, overnight! Get COLONAM, in easy-to-take tablet form at any drug counter, today! Only 98c for the 60 tablet package, brings positive relief at less than 2c per tablet.

40th Anniversary Of Arthur Landin's Occasion of Party

Sugar Grove—The children of Mr. and Mrs. Arthur Landin entertained Sunday afternoon at the home of their elder son, Everett, with a delightful observance of their 40th wedding anniversary. Mrs. Landin welcomed her guests in a gown of dark lavender tulle, with which she wore a white orchid. Visitors came from Youngstown, O.; South Dayton, Rochester and Jamestown, N. Y.; Bradford, Altoona, and Sugar Grove. Mr. Landin's sister, Lillian, who was bridesmaid 40 years ago, was present for the occasion, but the

best man, Martin Lundberg, lives in California and was unable to come east for the function. Guests also included members of Mission Covenant church, in which the Landins are active and faithful members. Mrs. Landin's sister, Ida Lundberg of Jamestown, presided at a table attractively centered with yellow and white spring flowers and yellow candles; Lillian Landin served the anniversary cake; Rickie Landin, son of Mr. and Mrs. Harold Landin, was in charge of the guest book. Their pastor, Rev. David Vennberg, read the scripture and offered prayer during the brief program; Harold Landin and son, Rickie, sang two selections; Mr. Landin sang a solo, Everett Landin accompanying. The honored ones were remem-

bered with many cards and nice gifts. Arthur Landin and his wife, Alice Lundberg Landin, have spent their entire lives in this community. They have four sons, Everett, Harold, Donald, and Melburn, all in Sugar Grove; also five grandchildren. Mr. Landin is associated with Landin Building Contractors.

Gathered From The Party Line

Announcement is received from University Park that John H. Timmis, son of Mr. and Mrs. John H. Timmis, Sr., of 619 Conewango avenue, will play the role of Jock in the Penn State Players' production of "Jim Dandy". Timmis is a junior in fine arts at Penn State. It is reported that Mr. and Mrs. James Kelley, in Edinboro last week to attend a performance of Moliere's "The Would-Be Gentleman", were greatly pleased with the Collegiate Players' production and assure Warren friends they will not want to miss it when it is given here April 27 for the benefit of Girl Scout Troops 5 and 15.

General Joseph Warren, who stands in the little park bearing his name, near Trinity church, is due for a beauty treatment as a feature of the Jaycees' annual Clean-up, Paint-up, Fix-up campaign. Climaxing their very successful junior class play performances at Warren High School on Thursday and Friday evenings, and at Warren State Hospital auditorium last night, cast members enjoyed an informal party later in the evening at the home of Mr. and Mrs. Kenneth Graham, 510 Fourth avenue, parents of Kay Graham.

Mr. and Mrs. John F. Cox, II, of Malvern, Pa., are arriving Wednesday for a brief visit with the Paul Jacksons at 114 Conewango avenue. Mrs. Cox is the former Sue Bryan, daughter of Mr. and Mrs. Al Bryan.

Friends will be glad to know that Joe Kwiatkowski is back at his home in Pittsburgh after a long bout in Warren, Erie and Cleveland hospitals. He is reported improving nicely, but will be unable to return to work for another six months.

CIRCLE CHANGE
Jason Lee Circle members of First Methodist church are advised their regularly scheduled meeting has been canceled and all will attend in a group the Wednesday evening Holy Week service at the church.

NOTICE
Dr. Otterbein's office will be closed Wed. eve., Apr. 17.

Truthseekers Class of Grace Methodist Church

Mrs. Grace Johnson, co-president, was in charge of the monthly meeting of Truthseekers Class of Grace Methodist church, when Mrs. Gladys Miller opened the session with devotions which included the Easter story and several appropriate readings. Members were reminded to bring their Lenten bags; a nominating committee, consisting of Johnetta Mathyer, Esther Fitzgerald and Hazel Dalrymple, was appointed. The following committees were reminded to begin planning for the mother-daughter banquet, which is sponsored each year by the class and is scheduled for May 9: Program—Mabel Sponsler, Johnetta Mathyer, Elizabeth Templeton, Dorothy Nelson. Decorations—Hazel Chesnut, Cynthia VerMilyea, Margaret Carlson, Edna Kyler. Reservations—Grace Johnson, Alice Wright.

Those in charge of the program were Ellen Courtney and her committee, Ruth Amacher, Susie Beebe, Lillie Conn, Grace Fitzgerald, Dorothy Roche, Mary Knudsen, Gladys Miller, Henrietta Pierce, Gertrude Suter, Evelyn Sulo and Mary Wilson.

Mrs. Edice Johnson presented a fascinating book report on "September Monkey", the life story of Induk, a Korean girl, how she became a Christian and the many problems she encountered. Refreshments were served by Elizabeth Smith, chairman, Dorothy Brinkley, Annabel Carlson, Edna Fitzgerald, Marnie Hansen, Mabel Hutchings, Kathryn Joy, Geraldine McDonald, Hazel Nelson, Fay Gighetto, Doris Sager and Prudence Wilson.

AUXILIARY MEETING
Sugar Grove American Legion Auxiliary had an attendance of 13 members for its regular meeting conducted by President Rose Falconer. A communication urged a large delegation for the Inter-County Council meeting to be held at Bradford April 27.

Members voted to assist the Fife and Drum Corps with its smorgasbord to be served to the public from 5:00 to 8:00 p. m. May 4, proceeds to be used to purchase marching uniforms. After discussion of an Easter gift to be sent to the unit's "adopted" boy at Scotland School, refreshments were served by Henrietta Light and Rose Falconer.

MARCONI BRIDGE
Six tables were in play for a Howell movement in last night's weekly Marconi Bridge Club tournament, with average 48 and maximum 96. Top scores reported: Henry Hunzinger and D. A. Scallise, 57½; M. A. Kornreich and James R. Valone, 54½; H. D. Kopf, Jr., and A. J. Bova, 51½; Mrs. John Timmis and Mrs. James R. Valone, 51; Mr. and Mrs. N. J. Mangus, 50½.

NORTH WARREN AUXILIARY SPECIAL
All members of the North Warren Fire Auxiliary are asked to attend a special meeting to be held in the fire hall at seven o'clock this evening, when plans are to be made for a special community service project. There will also be discussion of details for the rummage sale to be held May 3-4, and all who have articles to be collected are advised they may call 3148-M or 5845-J-3.

JUNIOR PLAY IS TREAT FOR PATIENTS
An audience of 600 patients, augmented by student nurses, staff and administrative members, gathered in Warren State Hospital auditorium last evening to enjoy a performance of the Warren High School junior class production, "Mother Is a Freshman". All were unanimous in approval of the three-act comedy and patients voiced their appreciation by singing "Happy Birthday" to Director Mary Jane McHenry, when she was introduced between the acts.

AUXILIARY CANCELS
There will be no regular meeting of Warren General Hospital Auxiliary this week, because of the Good Friday observance. Next regular session will be the sewing and business meeting on Friday, May 3.

MEETING POSTPONED
The April meeting of Warren County Salon No. 405, Eight and Forty, has been postponed until April 24 at the American Legion Home, because of Holy Week.

Clarendon Hot Stovers Signing Up

Scenes similar to the above, taken at Lincoln School, Clarendon Heights, Monday evening, are being duplicated in all wards in the borough, as well as North Warren, Clarendon, Weldbank, Starbrick, Russell and Kinzua, where youngsters are signing up to participate in Hot Stove League activities this summer. From the interest shown there is just a possibility that last season's record 800 to 900 boys may be surpassed this summer. In this Timesphoto by Saylor, boys registering are shown, left to right: David Fox, (midg); Chuck Warriner, (midg); Terry Jackson, (midg); Scott Saylor, (midg); Art Lane, (int); Ed Sleeman, (int); Tom Sleeman, (int); Timmy Barner, (midg); Bill Jackson, district chairman, is shown at the right, in charge of the registrations. Registrations are scheduled to take place again this evening. A registration coupon and list of places where boys may sign, along with names of ward chairmen, will be found on another page of this issue.

Union Communion Service Thursday

Sugar Grove—A union service of Holy Communion will be held in the Methodist church at 8:00 p. m. Thursday, with Lander and Lottsville Methodist, Mission Covenant, Free Methodist, and Presbyterian parishes joining for the sacrament. The Rev. Gustav Erickson, pastor, will preside and all are welcome.

Students from this community visiting Washington, D. C., with

the Eisenhower High School senior class are William Allenson, Merle Wightman, Patricia Biehls, Sandra West, Emma Carlson, Violet Jones, Sally Siggins, Barbara Anderson, Dorothy Zuckin, William Chase and Larry Welch.

Mrs. Watson Howard is a patient in Jamestown General Hospital. Mr. and Mrs. J. E. Abbott, with Mr. and Mrs. Charles White, of Jamestown, were weekend guests of Mr. and Mrs. Warren Abbott at Williamsport, the Abbotts remaining for a few days.

Mrs. Harry Williams and son, Guy, with her mother, Mrs. An-

drew Johnson, have moved from East to their new home in Curtis street.

Mr. and Mrs. Alfred Holmberg and son, Alfred, of Warren, were weekend guests of their daughter, Mrs. Norman Abbott, and family.

Mrs. Donald Barrett, with Mrs. Harry Ludwick of Lander, attended the Northwest District Federated Garden Club meeting at Meadville.

Elmer Loomis, patient in WCA Hospital at Jamestown for the past three weeks, came home Sunday.

TODAY is pay day for all who have classified ads.

PROTECTION FROM POLIO

Now you can buy protection from paralytic polio—one of the biggest bargains in medical history!

Salk vaccine for you and your family means freedom from worry about this crippling disease from now on, and if you get your first shot immediately, you can follow up with the second in from two to six weeks and have good protection when the "polio season" sets in this summer. Lift the threat of this great crippler from your life and the lives of your children! And remember, if you're under forty, it's your duty to yourself, too.

Mead Twp. Cancer Crusade Group To Confer Wednesday

The Cancer Crusade committee of Mead township will meet at Lincoln School at 7:30 p. m. Wednesday to receive materials and complete plans for the drive to be held next week.

Mrs. Ralph Rapp is community commander; Mrs. Herman Nesmith, district campaign chairman; Mrs. David Deardorff, community chairman, with the following workers: Mrs. Howard Flick, Mrs. Emil Ristau, Mrs. Robert Nesmith, Mrs. James Howe, Mrs. Paul Engle and Mrs. Lawrence Andersen.

Mrs. Myrtle Strandberg is community chairman, with the following workers: Mrs. Lulu Clements, Mrs. Elsie Bruno, Mrs. Louise Huchabone, Mrs. Neva Champion, Mrs. Alice Bean and Mrs. Margaret Christian.

Mrs. Clifford Park, community chairman, with the following solicitors: Mrs. Hildore Peterson, Mrs. Bernice Johnson, Mrs. Bernice Wollaston, Mrs. Valerie Gardner, Mrs. Gladys Shaffer and Mrs. Marion Manchester.

Mrs. Ellener Springer, community chairman, and the following committee: Mrs. Mildred Steele, Mrs. Peggy Lobdell, Mrs. Hazel Sevalnik, Mrs. Ethel Bullock, Mrs. Christine Thompson, Mrs. Gertrude Sleeman, Mrs. Lois Gellotte, Mrs. Frances Rhoades, Mrs. Helen Ashbaugh and Mrs. Tony Walker.

The committee met recently at Lincoln School in Clarendon Heights and was briefed on the entire campaign. Edgar Pendleton and Frank Perrin gave a forceful appeal on the great need of this drive and Miss Mina Rieder gave a demonstration on procedure of the campaign.

Community commander, Mrs. Rapp and district chairman, Mrs. Nesmith, will present final details at Wednesday's meeting.

BASEBALL IS WITH US AGAIN—Outfielder Roy Sievers of the Washington Senators slides home safely on Jim Lemon's sacrifice fly in the fourth inning of the season's opener against the Baltimore Orioles in Washington, D.C. Oriole pitcher Skippy Brown is covering the plate after the throw got away from catcher Gus Triandos. Washington catcher Clint Courtney watches the play. Baltimore won, 7-6.

DELAYED IN DELIVERY—The Cleveland, Ohio, post office will attempt to deliver the envelopes, shown above, mailed some 36 years ago in a downtown office building. Workmen discovered the envelopes, which contain hand-drawn valentines, when tearing away a false ceiling in the lobby, and theorize that they must have been deposited there from a damaged mail chute when the lobby was redone in 1921.

A U. S. plan for halting the production of nuclear materials for weapons has received the support of Britain and France in that five-nation group. Canada presumably favors it. The Soviet Union, which rounds out the subcommittee, still wants to know more about the plan.

However, French delegate Jules Moch told the Foreign Press Association here today a limited agreement is probable on the American proposal and three other matters: ceilings to be placed on the armed forces of the major powers at an agreed time; limitation of nuclear test explosions; and creation of a control and inspection system.

special session of the Legislature in 1958 if he was unable to gain action on his program in the regular session.

The Republican objective now is to reduce the governor's budget to fit a "no new taxes" revenue program, pass the enabling legislation and adjourn by June 1.

The governor has said that more than 200 administration bills are being held up in committee in the Republican-controlled Legislature.

Republican State Chairman George I. Bloom amplified the Republican position after a conference yesterday with Mayor Richardson Dilworth of Philadelphia. Dilworth asked support for the city's legislative program.

quest was information on the cost and possible traffic for a suggested tangent of the main highway. This alternative route would mean veering of the highway from the Lock Haven, Pa., are north-eastward toward Port Jervis, N. Y.

Confair, protesting the suggested alternative route, has said that it would cost many millions of dollars more and would route the midwestern highway traffic in the direction of New England rather than New York.

The Pennsylvania Highways Department has agreed to undertake the new cost date project.

On Wednesday, Kiwanis Club members will be the third service organization attending as a group. The Rev. G. Forrest Sparks, pastor of the host church, will be presiding and Bishop Crittenden's topic will deal with "The Way of Fellowship".

All persons in the community are urged to take advantage of these brief periods of Holy Week worship, the noon-day services beginning and ending promptly at 12:20 and 12:50 p. m.

MEETING POSTPONED

The April meeting of the board of governors of the Warren County Motor Club, scheduled for Wednesday evening at the Blue & White Restaurant, has been postponed until next Tuesday, April 23, in respect to the memory of Mrs. Homer Bowersox, whose death occurred during the night at the Warren General Hospital. Mr. Bowersox is charter member of the board and for many years has been general secretary.

Buffalo Goodwill Industries Visit Scheduled April 22

The next collection of used material for Buffalo Goodwill Industries will be made on Monday, April 22nd. Warren residents are invited to follow their contributions to Buffalo later in the week to learn at first hand what actually is done with these articles.

Chartered busses will leave the Warren terminal at nine o'clock Thursday morning, April 25th, arriving in Buffalo in time to enjoy lunch in the Goodwill cafeteria. The afternoon will be spent in a tour of all the Industries' facilities, from the unloading platform where all donated material is received through the sorting room, workshops, recreation and therapy rooms, retail store, offices and Chapel. The group will return to Warren early in the evening.

Reservations for the day must be in by Saturday, and may be made by calling Marilou Anderegg, telephone 3021.

EARNED INCOME TAX

The Sparta Merged School District will join most other school districts in the area in enacting a 1 per cent earned income tax as of July 1st. Revenue from the tax is expected to be \$10,000, which will be used to balance the budget.

BOY BLACKS OUT

Clarence Briggs, 17, of RD 2, Warren, told police he "blacked out" at 7:30 a. m. this morning as his vehicle swept south on Locust street. Next thing he and companions knew the car had bent backward a utility pole. Damages were estimated at \$250.

THIS WEEK

The new traffic light at the corner of Pennsylvania avenue and East street should be in operation by the end of this week, according to Borough Manager George Geracimos. Crewmen today were hooking up the cable which will synchronize the light with others along the avenue.

SCALE FOUNDATIONS

Workmen today were laying foundations for the new 50-foot borough scale near the corner of Crescent street and Madison avenue. When completely installed, probably in three to four weeks, the mechanism will be capable of weighing 100,000 pounds. It is capable of handling anything allowed on Commonwealth roads.

FOR CRIPPLED CHILDREN

Young people of Meadville and Titusville combined to raise nearly \$200 for the Crawford County Society for Crippled Children and Adults. Replicas of Easter lilies were offered in business districts of Meadville and Titusville Friday and sales continued Saturday from 10 a. m. to 2 p. m. Mrs. S. E. David, campaign chairman, reported. Mrs. David reported that \$157.75 had been tabulated last night in Meadville. In Titusville, Mrs. Lucia Crowley reported \$30 had been collected by 10 girls. She said they would be out again today.

CRASH AT WETMORE

Kane Republican—A Wetmore man was hurled from his car, sustaining only minor injuries Saturday afternoon when the vehicle was crushed by a Pennsylvania freight train at the Wetmore grade crossing. The accident was the third at that point in as many months—all occurring to persons residing in the area and familiar with the danger of the crossing. Paul Straneva, aged 27, was thrown from his car and sustained forehead lacerations. He was treated at the Kane Community hospital and discharged. The right front step and carrier of the diesel locomotive was damaged. The automobile was demolished. Straneva, a resident of Wetmore, is an employee of the railroad. According to reports to state troopers he did not see the freight train until his car was on the tracks. A few weeks ago, a car slid on ice up to the crossing as occupants scrambled to safety. The vehicle was ditched on the other side of the tracks. Several weeks prior, an automobile containing four persons was hit and knocked aside with occupants tossed about the roadway.

lined to newsmen by Senate GOP Leader Knowland of California and House Republican Leader Martin of Massachusetts after their regular Tuesday morning conference with Eisenhower.

The call for emergency money to restore normal mail operations was discussed as the Senate made ready to act quickly on the 41-million-dollar appropriation measure approved by the House yesterday.

Knowland told a news conference at the White House that he looks for the Senate to get the bill to Eisenhower's desk either tonight or tomorrow morning.

In addition to the postal money, the bill passed by the House provides 481 million dollars for other purposes.

Both Knowland and Martin expressed belief that the bitterness stirred up by Congress over the post office request for additional money and curtailment of mail deliveries last weekend won't jeopardize the administration's chance for winning congressional approval of an increase in postal rates. However, prospects for such a rate hike this year appear dim.

The House sent the bill to the Senate by voice vote late yesterday after several hours of debate during which some of the lawmakers criticized Postmaster General Sum-

merfield for ordering service curtailed.

No effort was made in the House to increase the postal money to the 47 million dollars Summerfield has said he must have for the next 2 1/2 months. Two efforts to reduce it to 19 millions were defeated decisively, one by a 121-12 standing vote and one by voice votes.

It appeared that the Senate also would go along with the 47 million dollar figure.

Several senators said they assumed that if the bill goes to Eisenhower today or tomorrow, the major postal service cuts already put into effect will be restored this Saturday.

These cuts were elimination of Saturday home deliveries and the closing to the public of all but fourth class post offices on that day.

Bankers To Meet in Oil City

W. D. SHEPHERD

SIGURD R. WENDIN

Oil City — Bankers from throughout Northwestern Pennsylvania will hear about the commercial needs and applications of atomic power April 27 at the annual meeting of Group Seven, Pennsylvania Bankers Association. H. E. Russell, chairman of the PBA group, announces that W. D. Shepherd, left, assistant to the manager of Westinghouse Electric Corporation's commercial atomic power activities, will be main speaker at the meeting to be held at the Knights of Columbus home here. Mr. Shepherd will talk on "Power of the Atom—the New Industrial Frontier," at the dinner meeting. He is expected to discuss the need for atomic power, its relation to world energy resources

and the progress that is being made in this new field of American industry.

Westinghouse designed and is building the reactor portion of the Shippingport, Pa., generating station of the Duquesne Light Company. The facility will be completed this year and will be America's first full-scale generating station to be atomic-powered.

Another speaker will be Sigurd R. Wendin, right, president of Heber-Fugert-Wendin, Inc., financial consultants of Detroit, Mich. Mr. Wendin is recognized as an expert on fair market valuation of closed corporations and partnerships for tax and merger purposes. His firm also acts as financial consultant to the secretary of the treasury of Puerto Rico.

Deaf Man Perfects Cordless Hearing Aid Worn Entirely on One Ear

PEORIA, ILL. (Special) — H. A. Lyons, who himself has been hard of hearing for over 25 years, today announced the perfection of a miniature electronic hearing aid that is so small it is all worn on one ear.

It weighs but a fraction of an ounce and can be slipped on and off easier than a pair of eye glasses. Wearer gets all-directional pick-up and normal use of telephone. There is no clothing interference because it is worn at the ear, which is the natural way to hear.

Since the aid is tiny and is worn

tucked behind the ear, it is practically unnoticeable. Mr. Lyons stated that, although it is powerful enough to fit the most severe hearing loss, it can also be adjusted for the millions of slightly hard-of-hearing who feel they are not deaf enough to bother with the more cumbersome aids.

It is suggested, if interested for yourself or a friend, to write to Mr. Lyons at 128 So. Monroe, Dept. B-1, Peoria, Illinois, and he will be glad to send information at no cost or obligation to you.

YMCA Makes Plans For Older Boys' Conference Here

Warren will play host to the Older Boys' Conference of the YMCA of Pennsylvania Northwest District Friday, Saturday and Sunday, April 26-27-28, starting the 2:00 p.m. Over 150 boys will arrive from all over northwest Pennsylvania.

This is the first time in nine years the conference has visited Warren and many special events have been planned in their honor. Those in charge have been working on the conference for over a year, with two months of extensive preparation, including 24 committees and over 40 boys, plus several adult committees which have been finding accommodations, etc.

The conference proper will be held at First Methodist church and the banquets are scheduled for the YWCA cafeteria. Boys will stay at various homes in the community.

Program theme is "Growth On Four Levels", physical, spiritual, intellectual and social and will consist of discussion groups, keynote speakers, many items of sports and recreation, two dances and a special tournament.

Conference theme is "Tomorrow Is Your Responsibility; Be A Part Of It, Not Apart From It."

SUGAR GROVE

Sugar Grove — Mrs. Jesse Thompson entertained Wimodausis Class of the Methodist church, 11 women enjoying a luncheon-meeting. Mrs. F. A. Schoonover presided for the business session, when the group voted to give \$10 to the Rescue Mission in Jamestown for use as a sprinkler fund; also to purchase one of three new choir robes needed; and discussed plans for purchasing new tables in the dining room. Flossie Broughton was in charge of the program, with all present taking part. Miss Broughton is teacher of the class, with Mrs. Allene Briggs as assistant.

Mrs. Everett Stewart, with her mother, Mrs. Frank Betts of Columbus, entertained the Ladies' Aid of the Columbus Community church, with 19 present. The pastor's wife, Mrs. Lyons, presided for the meeting. Mr. and Mrs. Stewart showed pictures they had taken in French Morocco, where Mr. Stewart was stationed while serving with the U. S. Navy. The hostesses served refreshments.

30 people are helping him get well

Like any hospital patient, this little fellow never sees all the people who are working to get him well. He may see 5 or 6 of them. But behind the scenes as many as 30 others have a part in his hospital care.

In addition to the nurses and technicians—there are the people who prepare his food, keep him warm, wash bed linens, buy supplies, keep the power plant going, handle his hospital records, and take care of many other jobs that directly or indirectly are part of the care he receives.

When you consider the combined wages of all these people—and what their services mean to you as a patient—you realize that modern hospital care is one of the biggest bargains you can get—anywhere.

And with each passing year, hospitals improve their services. New methods, drugs, equipment, and specially-trained personnel are being introduced constantly. The cost of hospital care increases, but its increased value to you cannot be measured just in terms of dollars and cents.

Hospitals and Blue Cross together give you the benefit of modern hospital care. Hospitals provide the service—Blue Cross provides the way for millions of people to prepay the cost of that service.

Like most of us, these people have made Blue Cross an essential part of the family budget—realizing that health care is just as important as food, clothing, and shelter in today's modern manner of living.

No Statewide Contests in the Primary Election On May 21st

Harrisburg (AP) — Registration figures from 40 of Pennsylvania's 67 counties indicated today little impact in voter enrollment from the head-on battle between Gov. Leader and the Republican-controlled Legislature over taxes and spending.

The figures for the May 21 local primary election showed both parties dropped some in registration, without substantial changeover. Republicans lost more than the Democrats.

The registration reported by county election boards in 40 counties showed:

Republican, 929,078, a drop of 32,118 from 1956.

Democrat, 179,688, a drop of 18,856.

Counties unreported, which hold the bulk of voter strength, include Allegheny (Pittsburgh), Berks, Delaware, Erie, Lackawanna, Luzerne, Philadelphia, Schuylkill, Westmoreland and York.

Registration in 1954—the year Gov. Leader was elected—showed a spread of almost a million voters between Republicans and Democrats. The 1956 registration reduced that spread to a half million, with 2,897,307 Republicans and 2,450,396 Democrats.

There are no statewide contests in the May 21 primary. While the session-long fight in

the Legislature will not figure directly in the primary contests, a special election to the House of Representatives in Montour County provides a clear-cut chance for voters of that county to express themselves at the polls on legislative issues.

Principal interest in the primary will center on the Pittsburgh contest for mayor. Mayor David L. Lawrence, longtime influential figure in the Democratic party of the state, is seeking a fourth term, opposed by former Congressman Theodore L. Moritz. On the Republican side, the opposing candidates are Joseph A. McArdle and former Judge John Drew.

Thousands of candidates will be nominated for local offices, including county judges, but there is no uniformity in counties or cities of the offices to be filled. Mayors will be nominated in 20 third class cities.

Local communities in 27 counties will vote on the question of retail sale of liquor and beer.

HIGH SCHOOL NEWS

There will be a meeting of the Future Teachers Wednesday morning at 8:15 in the library. Members should obtain permission from their homeroom teachers to attend. State Convention delegates will be elected.

The Spot will be open from 3:00 to 5:00 this afternoon and from 7:00 to 9:00 this evening.

The Student Council Social Committee will meet Wednesday morning at 8:00 in room 209.

In the elections yesterday Jerry Martin and Joan Dunham were chosen as co-presidents of the class of 1958. Jane Duffield will serve as class secretary and Jack Suppa as treasurer.

There will be no Religious Education tomorrow.

AROUND THE WORLD

NOT QUITE WHAT IT SEEMS—Despite the fact that there's a dog standing before it, this is not a doghouse. It's the post office in Muddy, Ill., and is said to be one of the smallest in the United States. The tiny building has three mail calls a day for some 150 persons in the village.

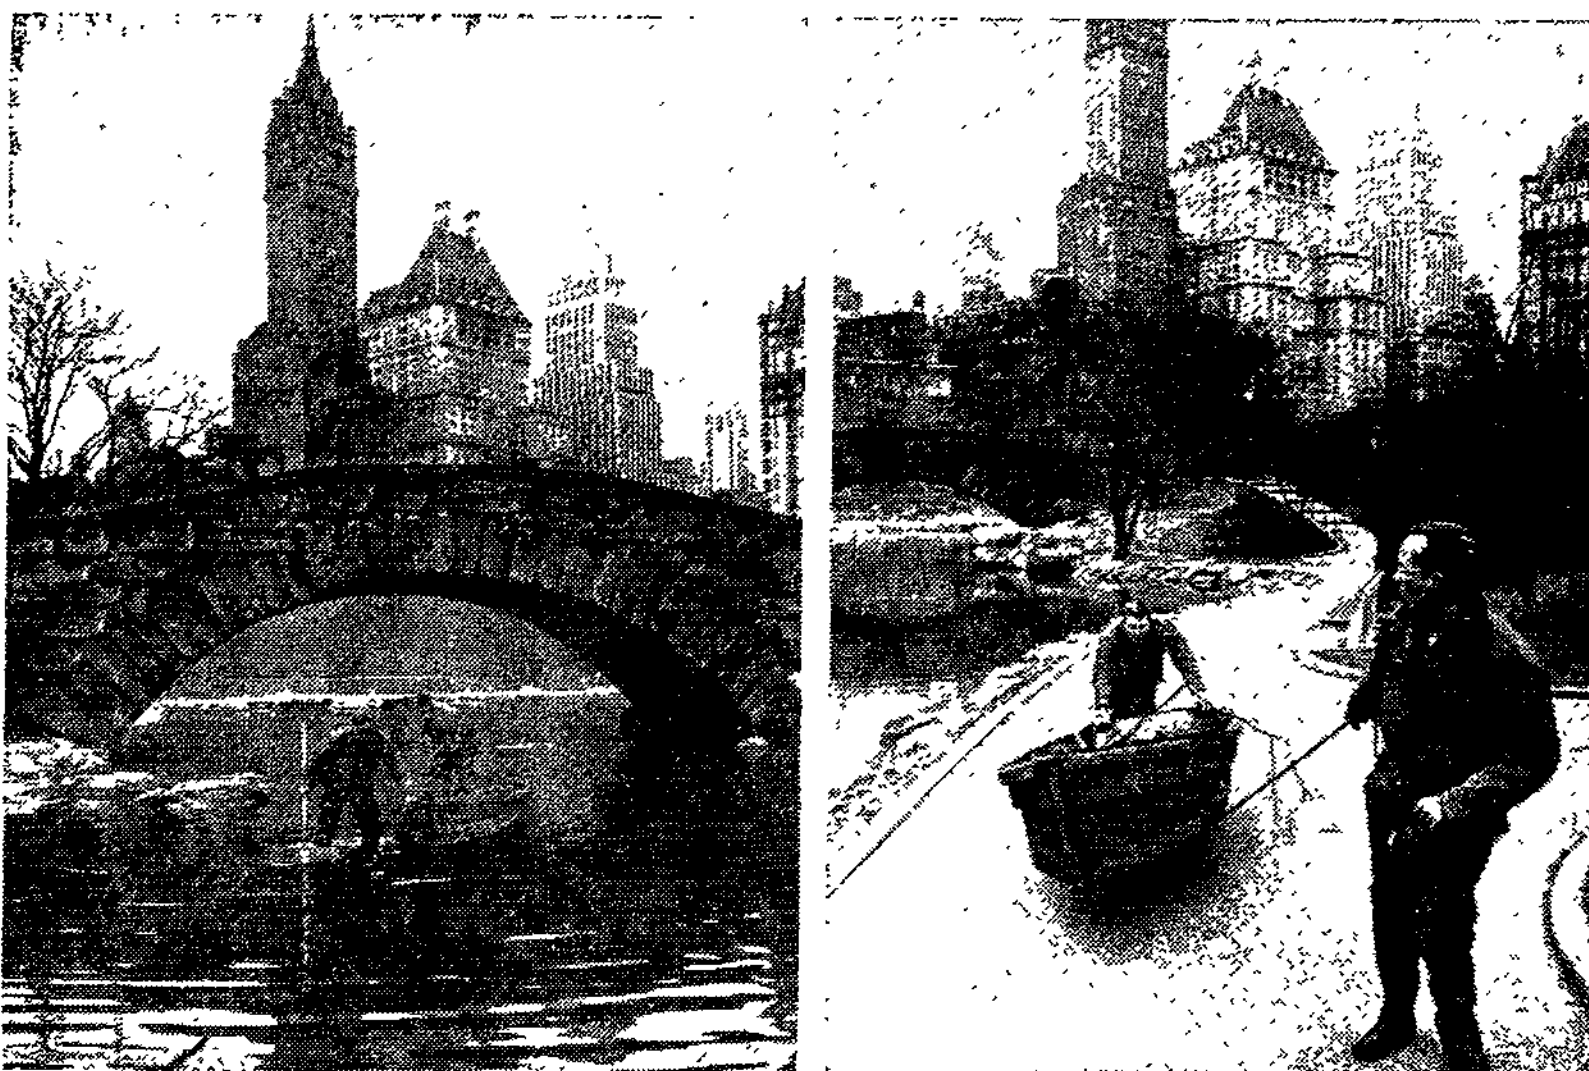

END OF A DAY—With a coil of rope over one shoulder, a barge worker is striding along the bank of the Thames River in London. He's making his way home on the sand after a day's work along the embankment near the Tower of London.

CONFERENCE—When Walter Fischer, of Frankfurt, Germany, arrived by ship in New York, he talked things over with Lora, his 60-year-old parrot. Apparently they liked what they saw as the two went on to live in Glendale, Calif.

FRENCH SALUTE—Alouette II, the French-developed helicopter which holds the world altitude record of 26,932 feet, saluted the Statue of Liberty on its first flight over New York. The machine is touring U. S. military and commercial aviation centers under the sponsorship of Republic Aviation Corp.

CLEAN-UP TIME—Andrew Kraulos and Ronald Divett, guards at the ice skating rink in New York's Central Park, are cleaning up one of the park's ponds, left. This time of year, they rid the water of debris that has accumulated during the winter months. When the boat is full, they haul it from the water and roll it to a proper dumping ground. The buildings in the background are on Fifth Avenue, with the famed old Plaza Hotel at the extreme right.

LIQUID COMFORT—At a farm near Knoxville, Tenn., General Lee, an orphaned 10-day-old Shetland pony, is getting his bi-hourly bottle from trainer Glenn Collins. The "General" gets an 11-ounce bottle of goat's milk every two hours. At night, it's every four hours.

REAL TOUGH—This feathered creature is one of a new crop of exhibits at the St. Louis, Mo., Zoo, and was purchased in Florida. Thought to be a South American hawk eagle at first, zoo experts have been suspiciously delving into reference books to properly identify the newcomer.

THE FUR IS FLYING—It took 433 days for LaVerne Hintzman to grow that beard in Brodhead, Wis., but his family finally persuaded him that the time had come to dispense with it. Hintzman is managing a wan smile as a vacuum cleaner is pressed into service to blow away the remnants of the beard that already has been cut. Now he's back to normal.

BRAND NEW—Right for summer, this open-weave hat uses a broad bold plaid band to accent its high color styling. It features a broad brim for sun protection and light weight for comfort in warm weather.

HOME MADE—Three years of hard work and a lot of scrap material went into this working model of a liquid-fuel-powered rocket built by Robert B. Mouton, 15, of Portsmouth, N. H. Robert invested \$30 he earned as a grave digger's assistant in the rocket. He claims that with a three-second spurt of power from hydrazine fuel, his rocket will reach 1,000 feet at a speed of 800 mph.

SPRING CLEANING—Keeper Charles Bailey took Perry, a 26-year-old Indian elephant, underneath some spring blossoms to give him a king-size manicure. Could be Perry was getting ready for the Easter Parade at the zoo in Whipsnade, England, where he's one of the larger residents.

BRIGHT PICTURE—Elaine Deming is doing her best to prove that it's always nice in her neck of the woods. She's holding up a giant thermometer to show the temperature at Miami Beach. It's registered at 80 and that's enough to make most people jealous.

FOR SHIPS—His father and grandfather were ship figurehead carvers, and Arthur Levison is following in their footsteps at his studio in Farnham, Surrey, England. He's shown working on the nearly completed figurehead for a clipper ship which is currently being refitted. On the left is a model from which Levison has been copying the new one.

Fishermen Register But Few Complaints About the Opening Day of Penn'a Trout Season

Harrisburg (P)—There were few complaints today about the opening of Pennsylvania's trout season.

The man who actually goes after trout did very well," was the John Ogden, supervisory warden for the Fish Commission's northwest district, put it.

It was a chilly starter, however, and Gov. Leader, who complained at all he caught was "the beginning of a good cold," was not the state's only disappointed angler.

The turnouts at the state's streams and lakes ranged from equal to a year ago to considerably greater depending on the temperature of the chilly temperatures.

Ogden, whose district warmed by noon under clear skies and sunshine, reported a "bigger turnout than in former years." An attraction in York County wasuddy Creek south of Red Lion, newly stocked this year. The team drew a number of anglers interested in fishing new waters in the Meadville area in western Pennsylvania where stream temperatures ranged around 36 degrees of the day, the turnout was low normal.

Just the same, Walter Heffernan and his son, James, came up with one of the day's best catches—the limit of eight apiece and five ranging 14-16 inches.

In south-central Pennsylvania, warden superintendent Harold Corbin reported good fishing but poor crowds on the Big Spring. The stream "was rehabilitated in March."

One of the big catches in the area was by Bill Kohler of Mechanicsburg, who caught a 26-inch rainbow trout in the Yellow Breaches using worm bait. The rainbow weighed 6 pounds and 9 ounces.

There were several reports of high waters, some cloudy.

Ralph Singer, northeast warden supervisor, reported "better streams in the northeast" with high but clear water and the catch good to excellent. Singer said the catch on the Shohola was "very good."

The Fish Commission estimated yesterday's opening turnout across the state at 500,000. This would be "safe, conservative," the commission said.

This will be the longest planned trout season in the state's history—141 days until Sept. 2.

The Fish Commission has stocked some 2,400,000 hatchery fish along 4,500 miles of streams. More than 700,000 resident fishing licenses have been issued.

1955 Rookie of Year Will Pilot Dunn Special In Classic

Indianapolis (P)—Al Herman, the 1955 rookie of the year at the 500-mile race, today was named to drive a Dunn Engineering Special in the Indianapolis Motor Speedway's classic this Memorial Day.

The Centerville, Pa., driver, who cracked up on the straight-away last year while running among the leaders, will pilot a car entered by H. Dunn of Detroit.

The Dunn entry and three others today increased the total in this year's race to 46. Entries closed at midnight last night. Thirty-three autos will qualify for starting spots.

Other entries today were two Central Excavating Specials from Pete Salemi of Cleveland and one racer from Peter Schmidt of St. Louis.

Rookie Johnny Baldwin of Los Angeles will drive one of the Salemi cars. Drivers for the other two autos were not named.

COWBOY'S DREAM—Joanna Smoot of Arizona State College was named queen of an intercollegiate rodeo, so she hopped out and posed for cameramen. The horse's name? Who cares? Miss Smoot is quite enough.

Bragan Assures Fans Pirates Will Be Better This Season; 35,000 Expected For Opener

Pittsburgh (P)—We'll be better this season—you can count on that.

Those were the words of Manager Bobby Bragan of the Pittsburgh Pirates as he took his team onto Forbes Field today to meet the New York Giants in the season opener. Bragan nominated his ace righthander, Bob Friend, to oppose the Giants' star southpaw Johnny Antonelli.

With cloudy skies and 60-degree temperatures predicted, it was expected the attendance would be in the neighborhood of 35,000.

"We want to win this one and we want to win a lot of games for the Pirates fans," Bragan said after a banquet last night where he and other Pirates were honored by the Fraternal Order of Eagles.

The dinner followed a welcoming home parade—first in the Pirates' history—and a luncheon sponsored by Pittsburgh businessmen and a television KDKA station.

Already champions of the Grapefruit League with an exhibition record of 20 victories and 10 defeats, the Pirates are hopeful of a first division finish. Bragan says anything lower than fifth will be a disappointment.

Joe L. Brown, general manager of the Pirates, said in a talk at the Eagles dinner he is confident of brighter days, declaring: "I am sure we are moving in the right direction. We are concentrating on developing players in the Pirate system. When this team begins to win it will win for a long time."

Brown who took over last year when General Manager Branch Rickey retired, said if the club's improvement plans don't work out home parade—first in the Pirates' history—and a luncheon sponsored by Pittsburgh businessmen and a television KDKA station.

He was a second baseman. Padgett played only three other games for Boston that season. But he returned in 1924 and was a regular player through 1925. Boston then traded him to the Cleveland Indians for whom he played two seasons.

In 1926, 11 times as much money was spent for chewing gum in the United States as for the fight against cancer.

East Orange, N. J. (P)—Ernest H. "Red" Padgett, who won major league baseball fame for an unassisted triple play in 1923, is dead at 58.

Padgett, who accomplished the triple play while playing for the Boston Braves against Philadelphia's fall meeting in Harrisburg Oct. 6, 1923, died last night in

Former Illustrious Athletic Pitcher 50 Years Ago Dies

Palestine, Tex. (P)—John Wesley Coombs, baseball's non man of 50 years ago, is dead.

The man who made major league history by pitching three full World Series games and winning them against the Chicago Cubs in a period of five days succumbed to an apparent heart at-
tack here yesterday.

The 74-year-old former illustrious member of Connie Mack's Philadelphia Athletics from 1906 to 1914 was downtown when he became ill. He walked about 200 yards to his home and died.

For 14 years Coombs pitched for the Athletics, Brooklyn and Detroit, winning 159 games while losing 112. His feat of winning three World Series games came in 1910 but it was Sept. 1, 1906, that he first learned his nickname. He pitched the longest complete game in American League history, going 24 innings to beat the Boston Red Sox.

Coombs set a record of 13 shutouts in one season—in 1910. Coombs ended his career in 1920, then went to Williams College to coach baseball. He next coached at Princeton, then began a 26-year tenure at Duke. He coached for the Athletics while there.

AVOID LOSING FISH IN SNAGGY WATERS

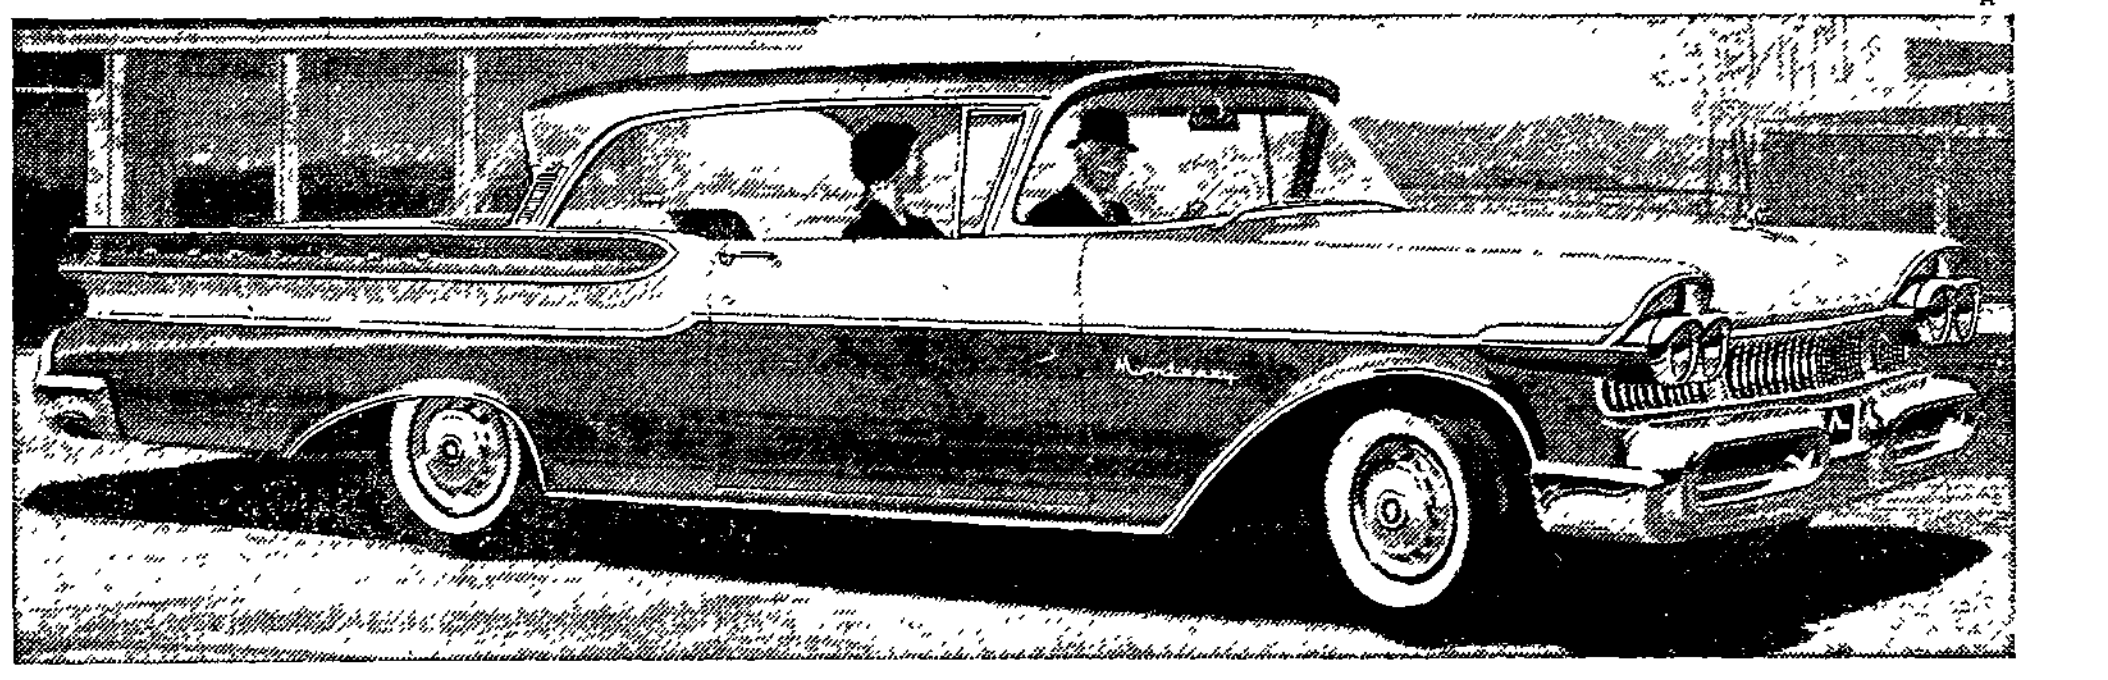

WHEN USING WORMS, ET CETERA, FOR BAIT, DON'T WAIT FOR NIBBLING TUGS TO FEEL SOLID—AS YOU MIGHT IN SNAGGLY WATERS. AT THE INSTANT YOU FEEL A FISH TAKE THE BAIT, OR SEE THE LINE MOVE, STRIKE AND PULL THE FISH AWAY FROM SNAGS BEFORE LINE IS LOST AS FIGHT BEGINS (THIS REQUIRES A STRONGER LEADER AND/OR LINE THAN USUAL).

STRIKE INSTANTLY, USING THE SAME TACTICS WITH ARTIFICIAL LURES TO WORK A HOOKED FISH OUT OF A HAZARDOUS LOCATION SO YOU'LL NOT LOSE HIM.

Titusville Will Furnish The Opposition in Season's First Track Meet Here Wednesday

Warren High School track coach Loyal Briggs today compiled his tentative event positioning for the first match of the season which starts off at 5:25 p. m. Wednesday on Beatty Field with Titusville.

Biggest surprise in the listings was a lack of three seasoned senior lettermen who had been counted on to bolster WHS along through its ten-game spring schedule. Included among the missing were ruler John Foxley, Ken Hoffman, Dave Swanson. But the good news was a strong contingent of freshmen and sophomores to pad the roster and spell continuance of good tracking in Warren.

Beatty Field track is in good, if slow, condition despite the periodic rains and floods which covered it the past week. The new layer of cinders has yet to settle and times

Hart Scores a 7th Round T.K.O. Over Boston Opponent

New York, (AP)—The boom is on again for Garnett "Sugar" Hart after his seventh round technical knockout over Willie "Pineapple" Stevenson of Boston.

The trim Philadelphia welter with the Elvis Presley sideburns dropped Stevenson last night before Referee Barney Felix stopped the St. Nicholas match at 2:53 of the seventh. In his last previous outing, Hart had been defeated in a losing battle against clever Walter Byars.

"I didn't think anybody would show up," said Hart, 21, who takes his business seriously. "I was almost ready to give up after the last one. When I got home I didn't want to go out of the house. I was supposed to make an appearance at an amateur show but I didn't show up. I knew I had to go back to school boxing."

Willie Reddish, the ex-fighter who trains Hart for manager Marty Stein, taught the fighter the importance of pacing himself in the five weeks since the Byars fight March 8.

Hart at 147, was a couple of pounds heavier than usual. Stevenson, stopped for the first time in his career, weighed 145 1/2.

A BLRG BLAST—When Patty Berg lands in a trap, it isn't for long. As she shows here in Dallas Women's Open, the Minneapolis miss has plenty of power to blast her way out.

Elk League Title Is Won By Dan's In Four Straight

Dan's Chevrolet copped the championship of the Elk Bowling League for the 1956-57 season by taking four straight games from Cersolum in an exciting roll-off staged at the alleys last evening before a large and noisy crowd.

It was one of the few times in the history of league bowling at the Elk alleys that the title has been decided the first night in four straight games. Credit for the

lunge by veteran Patty Berg of St. Andrews, Ill.

She started the day two strokes back of the brilliant Marlene Bauer Hagge of Dallas, who had just sent a Glen Lakes Country Club competitive course record with a 4-under-par 67. She caught Mrs. Hagge at 51 holes, then moved ahead as the little blonde with the velvet putting touch blew to a 79 because of a hooking tee shot.

Wattie wound up with 255 for 72 holes. Patty had 73 for a 72-hole total of 288. Mrs. Hagge ended in third with 289.

KEY GUY—If the White Sox are going to make it big this year, they must get plenty of mileage out of Nellie Fox's bat and his play around second base. The tobacco-chewing Fox is a steady American League All-Star and Manager Lopez hopes he stays in that category.

SCOREBOARD

By ED WILKS
The Associated Press

It happens every spring. Robin Roberts will be making his eighth consecutive appearance as the Philadelphia Phillies' season-opening pitcher tonight against Brooklyn's defending National League champions.

The 30-year-old right-hander, who missed 20 victories last season 19-18 for the first time since his first full year in the majors in 1949, has a 4-3 record for the previous openers.

The game at Connie Mack Stadium also will pair Robin with big Don Newcombe in a season opener for the third time. Newk's still trying to win an opener against Roberts.

Cleveland's Indians pulled a surprise by optioning Hank Aguirre and Bud Daley to their San Diego farm club in a last-minute move to trim their roster to the 28-player limit last night. It had been thought the two youngsters figured to hang around as additions to the Indians' youth movement behind

The Tribe also sold outfielder Dave Pope to the Pacific Coast League club in the outdawn. Elsewhere, Washington shipped shortstop Jose Valdivielso to Indianapolis of the American Association, and Kansas City sent catcher Bill Schantz, brother of Yankee pitcher Bobby Shantz to Rochester of the International League. The Phillies optioned right-hander reliever Angelo Lipietz to Miami of the International while the New York Giants packed catcher Bob Schmidt off to Minneapolis of the AA and placed pitcher Ramon Montant on the restricted list.

Injury also has knocked some veterans out of today's opening games. PeeVee Reese, sidelined by a bad back, will miss his first opener since becoming the Dodgers' regular shortstop in 1941. Outfielder Jackie Jensen of the Boston Red Sox didn't make the trip to Baltimore, staying behind for some tests on his ailing back. Southpaw Mel Parnell is on the Red Sox disabled list with a bum arm.

OLDSMOBILE
STYLED TO SMART EASTERN TASTE

"You'll like it even better when you drive it!"

Neighbor: Say, your new Olds sure looks like a lot of car!
Olds Owner: That's nothing, wait'll you take a ride.
(A few minutes later)
Neighbor: Man-oh-man, where'd all that power come from? I've never felt anything like that before!
Olds Owner: That's Oldsmobile's new J-2 Rocket Engine!
Neighbor: What's that? Tell me how it works.
Olds Owner: When you're driving under ordinary conditions, it uses only one carburetor. That means economy with a capital E. But when you need a sudden burst of power, for safety's sake, you just press the accelerator three-quarters of the way down—and two additional carburetors cut in!
Neighbor: In other words, with J-2, you can have economy when you want it and power when you need it. That's for me!
Olds Owner: Better see your Olds dealer. He's expecting you!

Plans Progressing For Woman's Club Benefit on May 25

Mrs. Francis Ericsson, special projects chairman for the Warren Woman's Club, has called regular meetings of her planning group in an effort to work out details for the public dance to be given next month for the benefit of the Community Swimming Pool Fund.

In the belief that "where there's a will, there's a way," the club has joined with other civic-minded organizations in the movement to speed construction of a swimming pool for Warren.

That there is definite need for such a project can be attested to by anyone who has watched with interest the large number of young people enjoying the ice skating and tennis provided through the efforts of the Jaycees.

Serving with Mrs. Ericsson on the May dance committee are Mrs. William Walters, tickets; Mrs. Robert Wilder, checking; Mrs. Harry Wildblood, decorations; Mrs. John Wendell, finance; Mrs. Robert Donaldson, publicity.

The hall will be held May 25 at the clubhouse, with music by George Johnson and his orchestra.

New Supplies Of Salk Vaccine Are Expected Here Soon

A little more than a month ago, 32,000,000 shots of Salk polio vaccine were available. At that time, pharmaceutical houses had cut back their production because it was not being used, and vaccine becomes "stale" if it lays around too long.

Today, in many localities (Warren included) you couldn't get a shot of Salk vaccine if you offered \$100. It just isn't available.

But new supplies are being rushed and are expected any day. Watch this newspaper for announcement of arrival. Then don't delay in getting to your physician to get your whole family protected.

Only about one person in nine under age 40 (including all children) has had the full protection of three shots.

In spite of all-out production now, it is very likely there won't be enough vaccine for everyone this summer. Make sure you get yours as soon as you can.

YOUNGSVILLE

Youngsville—The regular meeting of the Eastern Star celebrated the chapter's birthday and honored past matrons.

Mr. and Mrs. James Soule and infant son, of Jamestown, were Sunday dinner guests of her parents, Mr. and Mrs. Mark Shurwin.

Mrs. Mildred Peoples was hostess to Blue Circle of the Methodist church, with Mrs. Hugh Sherwood assisting hostess. In the absence of the president, Mrs. Aline Henton, Mrs. Maye Hooven was in charge, and conducted devotions. Routine business was transacted, and refreshments concluded the meeting. The next one will be at the home of Mrs. Evelyn Carr.

Mrs. Maye Hooven entertained in honor of the birthday of Mrs. Gwyn Mariner. Others present at the dinner were Mrs. Evelyn Carr, Mrs. Blanche Higgins, Mrs. Mildred Jones, and Mrs. Edna Wood.

Bonnie Steed and Barbara Hannon have returned to their studies at Spring Arbor, Mich., after a week's vacation with their parents. Friends of L. P. Rogers are happy to learn he is improving from a serious illness in Warren General Hospital.

Mr. and Mrs. Gerald Lucas have moved into the house on Bates street which they purchased from F. H. York.

Another birthday celebrated last week was that of Howard Donaldson, who, with his wife and two children, were guests at a dinner given by Mr. and Mrs. Gurney

Noted French Novelist Badly Injured in Crash

Paris (AP)—French novelist Francoise Sagan underwent a lung operation today. The 21-year-old writer, whose teen-age sex novel "Bonjour Tristesse" won her international fame and fortune, was badly hurt yesterday when her British racing car overturned.

Doctors said there were no surgical complications and Miss Sagan was breathing better. They

added they still could say nothing about a head injury she suffered.

Apparently the operation was to collapse one lung.

Doctors said she suffered severe shock and internal injuries when her car somersaulted on a clear road and landed upside down in a field. She was driving. Three passengers with her—two men and a woman—were injured only slightly.
